ACKNOWLEDGMENT

An informed citizenry is indispensable to the necessary support of the judicial branch and its continued improvement to meet its responsibilities in present-day society.

Only by working together at all levels of the judiciary can we provide a better forum for the administration of justice for all of our citizens. Only by the cooperation of the judges and clerks can we hope to inform our citizens of the work performed by the various courts.

The Council expresses its appreciation to the many judges and clerks of the courts who have so promptly submitted the monthly reports and other requested information on the operations of the various courts which has enabled it to prepare this report on the judicial business of the State.

The Texas Judicial Council acknowledges the assistance of the Criminal Justice Division, Office of the Governor, for financial support toward publication of this report. The fact that the Criminal Justice Division furnished financial support to the activity described in this publication does not necessarily indicate the concurrence of the Criminal Justice Division in the statements or conclusions contained herein.

TEXAS JUDICIAL COUNCIL
Article 2328a V.T.C.S.

Creation; purposes

Section 1. There is hereby created the Texas Judicial Council for the continuous study of and report upon the organization, rules, procedure and practice of the judicial system of the State of Texas, the work accomplished and the results produced by that system and its various parts, and methods for its improvement.

Classes of members

Sec. 2. The Council shall be composed of two classes of members, one designated as ex-officio, and the other as appointive.

Ex officio members

Sec. 3. The ex officio members of the Council shall consist of the following: (1) the Chief Justice of the Supreme Court of Texas, who shall remain a member as long as he holds the position of Chief Justice; (2) the Presiding Judge of the Court of Criminal Appeals, who shall remain a member as long as he holds the position of Presiding Judge; (3) two Justices of the Courts of Civil Appeals, to be designated by the Governor for overlapping four-year terms, one to be designated in January, 1971, for a four-year term and one to be designated in January, 1973, for a four-year term with the replacement in each case to be designated by the Governor in January of odd-numbered years; (4) two presiding judges of the administrative judicial districts, to be designated by the Governor for four-year terms, one to be designated in January, 1971, for a four-year term and one to be designated in January, 1973, for a four-year term, with the replacement in each case to be designated by the Governor in January of odd-numbered years; (5) the Chairman and the immediate past Chairman of the Senate Jurisprudence Committee; and (6) the Chairman and the immediate past Chairman of the House Judiciary Committee. The Chief Justice of the Supreme Court may from time to time designate some other Justice of that Court to act in his stead, and at his pleasure, as member of the Council. The Presiding Judge of the Court of Criminal Appeals may from time to time designate some other Judge of that Court to act in his stead, and at his pleasure, as member of the Council. The foregoing references to justices and judges, other than the Chief Justice of the Supreme Court and the Presiding Judge of the Court of Criminal Appeals, include respectively such retired justices and judges of the same grade as are legally eligible for assignment to part-time judicial duties. In the event the Chairman of the Senate Jurisprudence Committee or the Chairman of the House Judiciary Committee is reappointed to such position, his immediate predecessor shall continue to serve on the Council as immediate past Chairman, it being the intent of the Legislature that two members of the Senate and two members of the House be at all times members of the Council; provided, however, that in the case of legislative members, cessation of membership in the Legislature shall not terminate their membership on the Council, but they shall continue to serve for their full term notwithstanding their cessation of membership in the Legislature. In the event of a vacancy in a legislative membership, such vacancy shall be filled for the unexpired term only by the presiding officer of the appropriate house of the Legislature, and vacancies in other official memberships shall be filled in the same manner as the original appointment and for the unexpired term only. Ex officio members of the Council shall be entitled to all the privileges of full membership thereon and shall be regarded and treated in every respect as full members thereon.

Appointive members; tenure; quorum

Sec. 4. The appointive members of the Council shall consist of nine resident citizens of the State of Texas, seven of whom shall be members of the State Bar of Texas and two of whom shall be persons not licensed to practice law, including at least one who is by profession a journalist. The Governor of Texas shall select the appointive members of the Council for six-year overlapping terms, three to be appointed to serve until July 1, 1975, three to serve until July 1, 1977, and three to serve until July 1, 1979, and thereafter their successors shall be appointed for terms of six years; provided that appointive members of the Council holding office on the effective date of this Act shall continue in office for the balance of the term to which they were appointed, and their successors shall be selected in the manner and for the term herein provided. Vacancies in the appointive membership of the Council shall be filled by appointment of the Governor for the unexpired term only.

All members of the Council shall continue to serve until their successors have been appointed and qualified.

Five members of the Council shall constitute a quorum for the transaction of any business of the Council.

Duties of council

Sec. 5. It shall be the duty of the Council:

1. To make a continuous study of the organization of the courts; the rules and methods of procedure and the practice of the judicial system of the State; of the work accomplished, the results attained and the uniformity of the discretionary powers of the courts, to the end that procedure may be simplified, business expedited, and justice better administered.

2. To receive and consider suggestions from judges, public officers, members of the bar, and citizens, touching remedies for faults in the administration of justice.

3. To formulate methods for simplifying judicial procedure, expediting the transaction of judicial business, and correcting faults in the administration of justice.

4. To gather judicial statistics and other pertinent data from the several judges and other court officials of the State.

5. To make a complete detailed report, on or before December 1st of each year, to the Governor and to the Supreme Court, of all its proceedings, suggestions and recommendations, and such supplemental reports from time to time as the Council may deem advisable. All such reports shall be considered public reports and may be given to the press as soon as filed.

6. To make investigations and reports upon such matters, touching the administration of justice as may be referred to the Council by the Supreme Court or the Legislature.

7. To hold one meeting in each calendar year, and such other meetings as may be ordered by the Council or under its authority, and at such time and place as may be designated by it or under its authority.

Powers of council

Sec. 6. The Council shall have power:

1. To hold public meetings or hearings, by and through committees of three or more of its members, require the production of books and documents, require reports from the several courts of this State, including courts not of record, as may be deemed necessary, to administer oaths and take testimony.

For the purposes of any hearing, any Council officer, in advance of such hearing, or any Council member or officer sitting at such hearing, may issue under his official signature and cause to be served by registered or certified mail or by any adult person upon any prospective witness, a subpoena or like appropriate order. Upon the failure of a witness to testify, or upon his failure to appear or to produce books and documents as so ordered, any district judge of the county of residence of such witness shall, on written motion by, or on behalf of, the Council or Committee conducting said hearing, compel said witness to testify or, as the case may be, to appear and testify, by the same means, including attachment and penalties, whereby said judge may compel the testimony and appearance of witnesses in the trial of a cause pending in his own court.

2. To elect from its membership a president and such other officers as it may deem advisable; provided the secretary need not be a member of the Council; and provided further that the president of the Council may appoint, for and during his term as president, such committees as he may deem necessary for the proper organization of the Council.

3. To make such rules and regulations as it may deem expedient for its government and that of its officers and committees; and to prescribe the duties of its officers and committees.

4. To appoint committees from its membership, and charge such committees with such of its duties and delegate to such committees such of its powers as it may deem proper.

5. To require the supplying of statistical data and other information pertaining to the amount and character of the civil and criminal business transacted by the courts of this State and other information pertaining to their conduct and operation; and to prescribe procedures and forms for the supplying of such statistical data and other information.

It shall be an official duty of every justice, judge, clerk or other officer of every court of this State to comply with the reasonable requirements of the Council for the supplying of statistical data appertaining to the amount and character of the business transacted by his court and of such other information concerning said court or the office of the clerk thereof as may be within the scope of the functions of the Council. Failure to supply such data or information within a reasonable time after request therefor shall be presumptively deemed a willful refusal to supply the same.

Due performance of the duty to supply data and information as aforesaid shall be enforceable by writ of mandamus, the corresponding actions for which shall be brought, and the corresponding courts shall have jurisdiction of the same, as follows: If against a district clerk or a clerk, judge or other officer of a trial court other than a district court, in a district court of the county of residence of the respondent; if against a district judge or clerk of a court of civil appeals, in the Court of Civil Appeals for the Supreme Judicial District in which the respondent resides; in all other cases, in the Supreme Court of Texas. The Attorney General of Texas shall file and prosecute the foregoing actions on behalf of the Council upon its written request, which shall be presumptively taken as the action of the Council if signed by its president or by as many as five of its members; but no such action shall be filed if the attorney general shall in writing certify his opinion that the same is without merit.

Compensation limited to traveling and necessary expenses

Sec. 7. No member of the Council shall receive any compensation for his services as such member, but shall be paid for actual traveling and other necessary expenses incurred in the discharge of his duties as such member, to be paid upon verified, itemized account approved by the President of the Council or by a Vice President thereof when so authorized in writing by the President. The necessary clerical expenses of the Council and its officers and committees shall be paid in like manner.

Partial invalidity

Sec. 8. If any section or portion of any section of this Act shall for any reason be declared invalid, such invalidity shall not affect any other section or portion of section of this Act.

THE COURT STRUCTURE OF TEXAS

JANUARY 1, 1980

Descriptive Outline

The present court structure of Texas, established by the constitutional amendment of 1891, provides for a Supreme Court which is the highest state appellate court in civil matters and a Court of Criminal Appeals which is the highest state appellate court in criminal matters. It has fourteen intermediate courts of civil appeals. There is no intermediate court for criminal appeals from trial courts, such appeals going directly from the trial courts to the Court of Criminal Appeals in Austin.

The state trial courts of general jurisdiction are the district courts, which in some metropolitan areas have been established as courts having primarily civil, criminal, domestic relations, or juvenile jurisdiction. It should be noted that the geographical jurisdiction of each individual district court is established by the specific statute creating that court, and such jurisdiction does not necessarily correspond to any previously established court. Each court has one judge.

In addition to the above state courts, the Texas Constitution provides for a county court in each county presided over by the county judge. To relieve the calendar congestion of the single constitutional county courts the legislature has established probate courts and county courts at law in certain counties having large populations.

The Texas Constitution also provides for justice of the peace courts in each county. Since 1953, these justice courts also serve as small claims courts.

The legislature has created by statute municipal courts in each incorporated city. These courts have concurrent criminal jurisdiction with the justice of the peace courts limited to the geographic confines of the municipality.

Trial in the justice of the peace courts and most municipal courts is not of record, and appeals therefrom are on trial de novo to the county court except in those counties having statutory county courts at law or where by statute the district court has assumed portions of the county court's jurisdiction.

State, county and municipal governments all contribute to the financing of the judicial system in Texas. The State finances the appellate courts and pays a base salary to all courts of civil appeals justices and district judges. Counties pay the costs of "constitutional" county courts, county courts at law, justices of the peace, and operating costs of district courts except the judge's basic salary. The cities finance the municipal courts.

H.B. 558 of the 66th Legislature, the general appropriations bill, appropriated $26,367,393 in general revenue funds for the operation of the judiciary in fiscal year 1980. This represents less than one percent of the $3,740,831,069 total general revenue funds appropriated.

DISTRICT COURTS(310)

1. Jurisdiction: There are 310 separate district courts, identified by separate numbers, each having its own judge and geographical jurisdiction. In a number of areas, the geographical jurisdiction of two or more district courts is overlapping.

   District courts are trial courts of general jurisdiction, having original jurisdiction in all criminal cases of the grade of felony, cases of divorce, title to land, contested elections, and all civil matters wherein the amount in controversy is $5,000 or more and concurrent jurisdiction with statutory county courts at law in cases of at least $500 and not exceeding $5,000. (In the counties which have no statutory county courts at law, district courts have exclusive original jurisdiction in civil cases wherein the amount in controversy is $1,000 or more and concurrent jurisdiction with the county court in cases of at least $500 and not exceeding $1,000).

   The district courts have original and appellate jurisdiction in probate matters and general supervisory control over commissioners court. In addition, these courts have general original jurisdiction over all causes of action whatever for which a remedy or jurisdiction is not provided by law or by the Constitution, and have the power to issue writs of habeas corpus, mandamus, injunction, certiorari, sequestration, attachments, garnishment, and all writs necessary to enforce their jurisdiction.

   Most district courts exercise both criminal and civil jurisdiction, but in the metropolitan areas there is a tendency for the courts to specialize in either civil or criminal cases. In some cases, the courts which have criminal jurisdiction exclusively are designated criminal district courts.

   A limited number of district courts also exercise the subject-matter jurisdiction normally exercised by county courts.

   Appeals from judgments of the district courts are to the Court of Criminal Appeals in criminal cases and to the Courts of Civil Appeals in civil cases.
2. Seats: At the county seat of each county included in each respective geographical district.
3. Membership:
   a. Number: One judge per court.
   b. Selection: Partisan district-wide elections. Vacancies between elections filled by gubernatorial appointment with advice and consent of the Senate.
   c. Qualifications: Citizen of the United States and of Texas; resident of the district for two years; age 25; licensed to practice law in Texas and a practicing lawyer or judge for four years.
   d. Salaries paid by the State:

      eff. 9-1-79 $40,500
      eff. 9-1-80 $42,500

      Supplements authorized by statute may be paid by counties, ranging from $600 to $17,000 per year. Total salary must be $1,000 less than received by associate justices of the Court of Civil Appeals of the Supreme Judicial District.
   e. Term: Four years.

"CONSTITUTIONAL" COUNTY COURTS(254)

1. Jurisdiction: The Texas Constitution provides that there shall be a county court in each county, but not all 254 courts perform judicial functions. The county court has civil, criminal, original and appellate jurisdiction. It has concurrent legal authority with justice of the peace courts in civil cases when the contested amount is $200-$500, and it has concurrent civil jurisdiction with the district court in cases when the amount exceeds $500 but is less than $1,000. The county court also usually has general control over probate cases. In criminal cases, the county court has exclusive original jurisdiction over all misdemeanors when the fine to be imposed exceeds $200 or when a jail sentence may be imposed.

   Unless expressly provided by law, the county court does not have criminal jurisdiction in any county where a criminal district court exists. Decisions from the municipal and justice courts may be appealed to the county court, and the appeal takes the form of a completely new trial (trial de novo). Original and appellate judgments of the county court may be appealed to the Court of Civil Appeals in civil cases and to the Court of Criminal Appeals in criminal cases.

   Geographical jurisdiction: County-wide.
2. Seats: County seat of county of jurisdiction.
3. Membership:
   a. Number: One judge per court.
   b. Selection: County-wide partisan election with vacancies between elections filled by county commissioners.
   c. Qualifications: "Shall be well-informed in the law of the State." (Law license unnecessary).
   d. Salaries: Paid entirely by the county. Highly variable.
   e. Term: Four years.

   The commissioners court is not a judicial entity; rather it is the governing body of the county. It is presided over by the constitutional county judge and includes four elected commissioners. Although it performs no judicial duties, the commissioners court can issue writs and contempt citations.

COUNTY COURTS AT LAW(118)

1. Jurisdiction: The Legislature has the authority to create special county courts. One hundred eighteen of these statutory courts have been created in forty-eight counties, primarily in metropolitan areas, to relieve the constitutional county judge of all or part of his judicial duties. The legal jurisdiction of the special county courts varies considerably according to the statute under which they are created. As the varied names suggest, some of these courts are intended to exercise in practice subject-matter jurisdiction in only limited fields, such as civil, criminal, probate or appellate (from justice courts or municipal courts); but the names do not always disclose their complete functions. In general, the concurrent civil jurisdiction of these statutory courts with the district court is higher than constitutional county courts.

   Geographical Jurisdiction: County-wide.

2. Seats: County seat of county of jurisdiction.
3. Membership:
   a. Number: One judge per court.
   b. Selection: County-wide partisan election with vacancies between elections filled by county commissioners.
   c. Qualifications: Vary according to court-creation statute, some include two to five years experience as practicing attorney and requirement of residence in county.
   d. Salaries: Paid entirely by the county. Highly variable.
   e. Term: Four years.

JUSTICE OF THE PEACE COURTS(972)

1. Jurisdiction: The Texas Constitution provides that each county is to be divided into at least 4, and not more than 8 justice precincts, in each of which shall be elected one justice of the peace, provided that if the precinct includes a city of 8,000 or more inhabitants, one additional justice of the peace shall be elected from such precinct.

   Justice of the peace courts have original jurisdiction in criminal cases when the fine does not exceed $200. They have jurisdiction of civil matters when the amount in controversy does not exceed $500. A justice of the peace may issue warrants of search and arrest, conduct preliminary hearings, serve as ex officio notary public, perform marriages, and serve as coroner in counties were there is no provision for a medical examiner. The justice court also functions as a small claims court in disputes over unpaid wages and salaries when the contested amount does not exceed $200 and in controversies over uncollected bills when the amount does not exceed $150.
2. Seats: Determined by county commissioners.
3. Membership:
   a. Number: One judge per court.
   b. Selection: Partisan elections by voters of respective precincts.
   c. Qualifications: None.
   d. Salaries: Paid entirely by the county. Highly variable.
   e. Term: Four years.

MUNICIPAL COURTS

1. Jurisdiction: Authorized by statute, municipal courts are operating in 700 cities and towns. Metropolitan cities usually have more than one municipal court. These courts have neither civil nor appellate jurisdiction, but they have original and exclusive jurisdiction over violations of city ordinances (predominately traffic offenses). The municipal courts also have concurrent jurisdiction with justice courts in misdemeanor cases resulting from violations of state laws within the city limits when punishment is limited to fines only of $200 or less. Municipal judges also serve as magistrates of the state.

   Trials in all but six municipal court are not of record with appeals therefrom going to the county court, the county court at law or the district court upon trial de novo. The municipal courts of El Paso, Houston, Longview, Midland, Sweetwater and Wichita Falls are courts of record with appeals on the record perfected in the municipal court.
2. Seats: Determined by the city or town.
3. Membership:
   a. Number: Generally, one court per municipality and one judge per court. Statutes allow some city governing bodies to establish more than one court and/or more than one judge per court. A recent survey identified 863 municipal judicial positions in the state.
   b. Selection: Elected or appointed by the governing body of the city or town as provided by city charter or ordinance.
   c. Qualifications: Determined by the governing body of the city or town.
   d. Salaries: Paid entirely by the city or town. Highly variable.
   e. Term: Varies from one year to an indefinite term. Often at the will of the governing body of the city or town.

SUBJECT-MATTER JURISDICTION OF TEXAS COURTS
JANUARY 1, 1980

INTRODUCTION

The present court system of Texas, established by the constitutional amendment of 1891, provides for a Supreme Court which is the highest state appellate court for civil matters and a Court of Criminal Appeals which makes the final determination in criminal matters. The state has fourteen intermediate courts of civil appeals. There are no intermediate appellate courts for criminal matters, such appeals going directly from the trial courts to the Court of Criminal Appeals in Austin.

The state trial courts of general jurisdiction are the district courts, of which there are 310. (Ten of these courts are named "Criminal District Courts," but as will be noted later, only three are strictly limited only to criminal cases on the district level.)

The geographical jurisdiction of each individual district court is established by the specific statute creating that court, and that jurisdiction does not necessarily correspond to the jurisdiction of any previously established court. Each court has one judge. The state pays the judge's base salary and some expenses.

In addition to these state courts, the Texas Constitution provides for a county court in each county presided over by the county judge, who also serves as head of the county commissioners court, the governing body of the county. To relieve the docket of the single "constitutional" county court in each county, the legislature has established statutory county courts at law in 43 counties. As of January 1, 1980, there are eight probate courts and 98 county courts at law. (Two other courts are authorized, but not implemented by the counties in which they are located as of January 1, 1980. Ten additional courts have been created by the legislature with effective dates at some time in the future.)

The Texas Constitution also provides for a minimum of four justice of the peace courts in each county. Today there are 972 of the justice of the peace courts statewide. Since 1953, these justice courts have also served as small claims courts.

The legislature has created by statute municipal courts in each incorporated city in the state. These courts have original jurisdiction over purported violations of municipal ordinances and concurrent criminal jurisdiction over state violations with the justice of the peace courts, limited to the geographical confines of the municipality.

Trial in the justice of the peace and municipal courts (with six exceptions) is not of record, and appeals therefrom are on trial de novo to the county court except in certain counties noted later, where the appeal is to a county court at law or to a district court.

Jurisdiction of the various levels of courts is established both by constitutional provision and by statute. Statutory jurisdiction of the courts is established by general statutes providing jurisdiction for all courts on a particular level, as well as by the statute establishing the individual courts. Thus to determine the jurisdiction of any one particular court, recourse must be had first to the constitution, second to the general statutes establishing jurisdiction for that level of court, third to the specific statute authorizing the establishment of the particular court in question and fourth to statutes dealing with specific subject matters, such as the Family Code, which requires a lawyer-judge to hear appeals from actions by non-lawyer judges in juvenile cases.

APPELLATE COURTS

As previously indicated, the Supreme Court is the court of last resort in the state in civil matters. It also has original jurisdiction to issue writs and conduct proceedings for the involuntary retirement or removal of any judge in the state. It is empowered to make rules for the administration of justice, rules of civil practice and procedure for use in all courts having civil jurisdiction and rules governing the licensing of members of the bar of the state. The Court of Criminal Appeals has final state appellate jurisdiction in criminal cases and may issue writs to enforce its judgments. The courts of civil appeals are the intermediate appellate courts of the state, limited however to civil matters.

DISTRICT-LEVEL COURTS

While the jurisdiction of the appellate courts is quite uniform for each level, that of the various trial court levels is not. To meet the diversified characteristics of the state, the legislature has established varying jurisdiction for the same level of courts depending on the location or local needs.

Broadly, the district courts are the general trial courts for the state, having original jurisdiction in all criminal cases of the grade of felony, cases of divorce, title to land, contested elections and all civil matters wherein the amount in controversy is $1,000 or more. The district court has concurrent civil jurisdiction with the "constitutional" county court in cases of at least $500. In those counties having statutory county courts at law, the district courts by general law have exclusive jurisdiction in civil cases wherein the amount in controversy is $5,000 or more and concurrent jurisdiction with the statutory county courts at law in cases of at least $500 and not to exceed $5,000.*

In 1971, all "constitutional" county courts were divested of eminent domain jurisdiction (art. 3266a), which was placed in the district courts and county courts at law. The statute did not transfer any eminent domain cases pending in the "constitutional" county court on the effective date of the act, therefore, some county courts are continuing to dispose of eminent domain matters filed before 1971. This article lists several instances where eminent domain jurisdiction was transferred from the county court by "special" law pertaining to only one county. In some instances, this transfer was prior to 1971 and in others pending eminent domain cases were transferred. These situations are to be contrasted with the 1971 general statute which transferred jurisdiction of "new" eminent domain cases.

The Supreme Court has repeatedly held that the legislature cannot reduce the jurisdiction of a constitutional district court. Lord v. Clayton, 163 Tex. 62, 352 S.W. 2d 718 (1961); Zamora v. State, 508 S.W. 2d 819 (Tex. Crim. App. 1974). Ex Parte Richards, 137 Tex. 520, 155 S.W. 2d 597 (1941); Reasonover v. Reasonover, 122 Tex. 512, 58 S.W. 2d 817 (1933); St. Louis S. W. Ry. v. Hall, 98 Tex. 480, 85 S.W. 786 (1905). See also Castro v. State, 124 Tex. Crim. 13, 60 S.W. 2d 211 (1933) and dissenting opinion in Ex Parte Bazemore, 430 S.W. 2d 205 (Tex. Crim. App. 1968). In Lord v. Clayton, the Supreme Court held that although the statute creating the 136th District Court of Jefferson County expressly limited its jurisdiction to civil cases and other legislation purported to give exclusive jurisdiction in criminal cases to the criminal district court of Jefferson County, the 136th Court was nevertheless a constitutional district court with full power to impanel a grand jury, receive an indictment, and try the accused.

Presently the state statutes purport to limit the jurisdiction of 18 district courts to civil matters only:

14th (Dallas) - art. 1926-11

17th (Tarrant) - arts. 199(17), 199(153)

156th (Aransas, Bee, Live Oak, McMullen, San Patricio) - art. 199(156)

160th (Dallas) - art. 1926-11

*The concurrent civil jurisdiction of some county courts at law has by special statute been increased to $10,000, and others to $20,000.

The constitutional power to establish "other courts" (Tex. Const. art. V, sec. 1) apparently does authorize the legislature to establish special district courts with criminal jurisdiction only. Ex Parte Richards, 137 Tex. 520, 155 S.W. 2d 597 (1941). A statute limiting the jurisdiction of a district court to criminal matters was recognized by a court of civil appeals. Cook v. Nelius, 498 S.W. 2d 455 (Tex. Civ. App. - Houston [1st] 1973, no writ). In a similar situation, the Court of Criminal Appeals did not comment on the question. Pittman v. State, 434 S.W. 2d 352 (Tex. Crim. App. 1968).

Several district courts with their jurisdiction so limited have been created, but at this time, only three courts are limited to exclusively criminal district-level jurisdiction:

Criminal District Court No. 1 of Tarrant County (arts. 1926-41, 1926-42a)
Criminal District Court No. 2 of Tarrant County (art. 1926-43)
Criminal District Court No. 3 of Tarrant County (art. 1926-44)
] 2

Four others are limited to criminal, divorce, dependent and neglected children, adoption and civil habeas corpus proceedings:

Criminal District Court of Dallas County (arts. 1926-11, 1926-22)
Criminal District Court No. 2 of Dallas County (arts. 1926-13, 1926-22)
Criminal District Court No. 3 of Dallas County (arts. 1926-14, 1926-16, 1926-22)
Criminal District Court of Jefferson County (arts. 1926-61, 1926-62)
] 3

As will be noted later, other "Criminal District Courts" cannot be categorized as having only district-level criminal jurisdiction because they also have concurrent jurisdiction with county-level courts in certain matters.

While the courts have ruled the legislature may not limit the jurisdiction of regular district courts, the statutes in various ways express the intention of the legislature that certain district courts give their primary attention to only a portion of those matters over which they have jurisdiction. Three courts are instructed to "give preference" to criminal cases and the statutes further provide that only criminal cases are to be filed in those courts:

144th (Bexar) - art. 199(37)
175th (Bexar) - art. 199(37)
187th (Bexar) - art. 199a, sec. 3.014
] 4

In the same manner, seven district courts are to give preference to civil cases and civil cases only are to be filed in those courts:

37th (Bexar) - art. 199(37)
45th (Bexar) - art. 199(37)
57th (Bexar) - art. 199(37)
73rd (Bexar) - art. 199(37)
131st (Bexar) - art. 199(37)
150th (Bexar) - arts. 199(37), 199(150)
166th (Bexar) - art. 199(37)
] 5

Perhaps less stringent is the simple statutory instruction that certain courts are to "give preference" to certain matters, with no further restrictions. Thirty courts are thusly instructed to give preference to criminal cases:

105th (Nueces) - art. 199(105)
107th (Cameron, Willacy) - art. 199(107)
138th (Cameron, Willacy) - art. 199(138)

263rd (Harris) - art. 199a, sec. 3.089

] 6

Four courts are similarily instructed to give preference to civil cases:

103rd (Cameron, Willacy) - art. 199(107)
215th (Harris) - art. 199a, sec. 3.043
224th (Bexar) - art. 199a, sec. 3.051
225th (Bexar) - art. 199a, sec. 3.052
] 7

Nine district courts are to give preference to family law matters:

231st (Tarrant) - art. 199a, sec. 3.057
233rd (Tarrant) - art. 199a, sec. 3.059
245th (Harris) - art. 199a, sec. 3.070

256th (Dallas) - art. 199a, sec. 3.082
257th (Harris) - art. 199a, sec. 3.083
] 8

One court is directed by statute to give first preference to family law cases and second preference to criminal cases:

148th (Nueces) - art. 199a, sec. 3.001
] 9

The 65th Legislature (1977) converted all functioning domestic relations and special juvenile courts to district courts of general jurisdiction. However, these 31 courts are to "have primary responsibility for cases involving family law matters":

300th (Brazoria) - art. 1926a, sec. 2.01
301st (Dallas) - art. 1926a, sec. 2.02

The other statutory provision observed above - that of limiting the types of cases which can be filed in a particular court - is used alone in several instances. Such a restriction is probably not mandatory on the clerk of the court. Lord v. Clayton, 663 Tex. 62, 352 S.W. 2d 718 (1961). The statutes provide that in fourteen courts, civil cases only are to be filed:

11th (Harris) - art. 199(11)

61st (Harris) - art. 199(11)

In six courts, only criminal cases are to be filed:

Finally, for one court, the legislature has specified that criminal and tax cases only shall be filed:

49th (Webb) - art. 199(111)

As noted above, some 98 statutory county courts at law and 8 probate courts have been created, largely in metropolitan areas. While the jurisdiction of these courts is generally carved out of that given to the "constitutional" county courts, the statutes specify in a few instances that certain jurisdiction normally in the district court is to be exercised by the county court at law concurrently with the district court. Four county courts at law are given concurrent civil jurisdiction with the district courts in specified domestic relations matters:

County Court at Law No. 1 of Lubbock County (art. 1970-340)

County Court at Law No. 2 of Lubbock County art. 1970-340.1)

County Court at Law of Orange County (art. 1970-349A)

County Court at Law of Webb County (art. 1970-360)

Ten county courts at law have, by special statute, concurrent jurisdiction with the district courts in eminent domain matters:

County Court at Law of Victoria County (art. 1970-356)

County Court at Law No. 2 of McLennan County (art. 1970-298d)

County Court of Dallas County at Law No. 1 (art. 1970-31.2)

Finally, the statute creating one criminal district court provides that it shall have concurrent jurisdiction with the county courts at law in the county in matters of county court criminal jurisdiction:

Criminal District Court of Jefferson County (art. 1926-61) — 22

A wide variety of statutory changes have been made blurring the line between district court-level jurisdiction and county court-level jurisdiction. In eight counties, all civil and criminal jurisdiction of the county court, except probate, has been transferred to the district court:

Bowie (5th, 102nd, 202nd District Courts) - art. 1970-306

Cass (5th District Court) - Acts 1879, ch. 25, p. 21; Acts 1971, ch. 273, p. 1198

Falls (82nd District Court) - Acts 1917, ch. 89, p. 243; Acts 1975, ch. 39, p. 84

In two counties, all civil and criminal jurisdiction of the county court, except probate and eminent domain, has been transferred to the district court (by general statute enacted in 1971 (art. 3266a), all "constitutional" county courts were divested of eminent domain jurisdiction):

Comal (22nd District Court) - Acts 1883, ch. 35, p. 24

Mason (33rd District Court) - Acts 1887, ch. 73, p. 54 — 24

All civil and criminal jurisdiction of the county court, except probate, eminent domain and jurisdiction to receive guilty pleas in misdemeanor cases has been transferred to the district court in one county:

Eastland (91st District Court) - art. 1970-141a — 25

In another county, all county civil and criminal jurisdiction of the county court, except probate and eminent domain, has been transferred to the district court, and the two levels of courts have concurrent jurisdiction to receive guilty pleas in misdemeanor cases:

Marion (76th, 115th District Courts) - Acts 1887, ch. 36, p. 38; art. 1970-322a — 26

In another county, all county court civil and criminal cases appealed from justice of the peace courts, except probate and eminent domain, have been transferred to the district court, and the two levels of courts have concurrent jurisdiction in juvenile delinquency cases and in cases where the county court would have had original criminal jurisdiction:

Red River (102nd District Court) - art. 1970-314a — 27

All civil jurisdiction of the county court, except probate and eminent domain, has been transferred to the district court in four counties:

Wichita (89th District Court) - art. 1970-166b — 28

In one county all civil jurisdiction of the county court, except probate, has been transferred to the district court:

Glasscock (118th District Court) - art. 1970-320 and Acts 1957, ch. 196, p. 399 — 29

In another county, all civil and eminent domain jurisdiction of the county court has been transferred to the district court:

Navarro (13th District Court) - art. 1970-326 — 30

Finally, in six counties, the general jurisdiction in eminent domain cases alone has been transferred from the county to the district courts by special statutes. In 1971, all "constitutional" county courts were divested of eminent domain jurisdiction (art. 3266a):

Tarrant - art. 1970-62.1 — 31

Rather than transfer jurisdiction absolutely from the county court to the district court, the legislature has in several instances given both the district and county courts concurrent jurisdiction in certain matters. Seven district courts have concurrent criminal jurisdiction with the county court in matters normally in the county court:

207th (Caldwell) - art. 199a, sec. 3.035(b)

Criminal District Court of Dallas County - art. 1926-21

Criminal District Court No. 4 of Tarrant County - art. 1926-45 — 32

In two counties, the district and county court have concurrent jurisdiction in all matters normally in the county court and the district court assigns cases to the county court:

Hill (66th District Court) - arts. 1970-333; 1970-333a

Johnson (18th District Court) - art. 1970-335 — 33

COUNTY-LEVEL COURTS

Generally speaking, "constitutional" county courts have concurrent jurisdiction with justice of the peace courts in civil cases wherein the amount in controversy is $200 or more and less than $500, general jurisdiction over probate cases and exclusive original jurisdiction over all misdemeanors whose punishment for the offense upon conviction is by fine exceeding $200 or where a jail sentence not to exceed two years may be imposed. However, the county courts do not have criminal jurisdiction where a criminal district court exists unless expressly authorized by statute (Tex. Const. art. V, sec. 16). County courts generally have appellate jurisdiction over cases tried originally in the justice of the peace and municipal courts upon trial de novo.

In general, county courts at law have concurrent jurisdiction with district courts in civil matters where the amount in controversy is at least $500 and not more than $5,000 . Other jurisdiction of a county court at law is, broadly speaking, either carved out of the "constitutional" county court's regular jurisdiction or shared with it (concurrent).

The jurisdiction of county courts at law and their relation to the "constitutional" county courts takes many forms. In the creation of three county courts at law, all civil, criminal and probate jurisdiction of the county court was transferred to the county court at law:

County Court at Law of Houston County (art. 1970-365)
County Court at Law of Nacogdoches County (art. 1970-361)
County Court at Law of Reeves County (art. 1970-373)
} 34

In the creation of eighteen county courts at law, all civil and criminal jurisdiction of the county court was transferred to the county court at law and it was provided that the courts would have concurrent jurisdiction in probate matters:

County Court at Law No. 4 of Bexar County (art. 1970-301e.1)
County Court at Law No. 6 of Bexar County (art. 1970-301f)
County Court at Law of Brazos County (art. 1970-359)
County Court at Law of Cameron County (art. 1970-305)
County Court at Law No. 2 of Cameron County (art. 1970-305c)
County Court at Law of Collin County (art. 1970-362)
County Court at Law No. 2 of Collin County (art. 1970-362a, eff. 1/1/81)

County Court at Law No. 1 of Lubbock County (art. 1970-340)
County Court at Law No. 2 of Lubbock County (art. 1970-340.1)
County Court at Law of Walker County (art. 1970-367)
County Court at Law of Webb County (art. 1970-360)
} 35

One county court at law was created to exercise concurrent jurisdiction with the district court in all civil and criminal matters, which had earlier

been transferred from the county court to the district court. The county court at law and county court have concurrent probate jurisdiction:

County Court at Law of Comal County (art. 1970-368)
} 36

The legislature provided, in the creation of three county courts at law, that all civil and criminal jurisdiction of the county court, except probate, was transferred to the county court at law, and that the judge of the county court at law could "act for" the constitutional county judge in probate matters:

County Court at Law No. 3 of Bexar County (art. 1970-301d)
County Court of Jefferson County at Law (arts. 1970-112, 1970-113)
County Court of Jefferson County at Law No. 2 (art. 1970-126a)
} 37

For four county courts at law, all civil and criminal jurisdiction of the county court, except probate, was transferred to the county court at law:

County Court at Law No. 1 of Bexar County (arts. 1970-64, 1970-301)
County Court at Law No. 2 of Bexar County (art. 1970-301)
County Court at Law No. 5 of Bexar County (art. 1970-301e.1)
County Court at Law of Grayson County (art. 1970-332)
} 38

In one county, all civil, criminal and juvenile jurisdiction of the county court, except probate, was transferred to the county court at law, and it was provided that the courts were to have concurrent jurisdiction in eminent domain cases:

County Court at Law of Taylor County (art. 1970-343)
} 39

Five county courts at law were created with the provision that all civil and criminal jurisdiction of the county court was transferred to the county court at law and the courts would have concurrent jurisdiction in both probate and eminent domain cases:

County Court at Law No. 3 of Nueces County (arts. 1970-339B, 1970-339C)
County Court at Law No. 1 of Travis County (arts. 1970-324, 1970-324d)
County Court at Law No. 2 of Travis County (arts. 1970-324a, 1970-324d)
County Court at Law No. 3 of Travis County (arts. 1970-324a.1, 1970-324d)
County Court at Law No. 4 of Travis County (arts. 1970-324a.2, 1970-324d)
} 40

In one instance, all civil and criminal jurisdiction of the county court was transferred to the county court at law, the courts have concurrent jurisdiction in probate and eminent domain and the county court at law is instructed to give preference to original jurisdiction criminal cases:

County Court at Law No. 1 of Nueces County (arts. 1970-339, 1970-339A, 1970-339C)
} 41

Similarly, another county court at law in the same county was transferred all civil and criminal jurisdiction of the county court, the courts have concurrent jurisdiction in probate and eminent domain and the county court at law is instructed to give preference to civil cases and criminal cases appealed from courts of inferior jurisdiction:

County Court at Law No. 2 of Nueces County (arts. 1970-339A, 1970-339C)
} 42

When the four Harris County civil courts at law were created, it was provided that all civil and eminent domain jurisdiction of the county court, except probate, was transferred to them:

County Civil Court at Law No. 1 of Harris County (art. 1970-79)
County Civil Court at Law No. 2 of Harris County (art. 1970-110d)

County Civil Court at Law No. 4 of Harris County (art. 1970-110f)
} 43

For one county court at law, all civil jurisdiction of the county court, except probate, was

transferred to it, and it was provided that the courts would have concurrent criminal jurisdiction:

County Court at Law No. 1 of Tarrant County (arts. 1970-33, 1970-34) — 44

For another in the same county, all civil jurisdiction of the county court was transferred to the county court at law and it was provided that the courts would have concurrent probate jurisdiction:

County Court at Law No. 2 of Tarrant County (art. 1970-62.2) — 45

Eminent domain jurisdiction was transferred to two county courts at law, and in all other matters the county court at law and "constitutional" county court have concurrent jurisdiction:

County Court at Law of McLennan County (art. 1970-298b)

County Court at Law No. 2 of McLennan County (art. 1970-298d) — 46

In twenty-four instances, the "constitutional" county court and the county court(s) at law have concurrent jurisdiction in all matters:

County Court at Law of Angelina County (art. 1970-355)

County Court at Law No. 1 of Bell County (art. 1970-350)

County Court at Law No. 2 of Victoria County (art. 1970-356a, eff. 1/1/82, or earlier as may be determined by the county commissioners) — 47

In two counties, concurrent jurisdiction may be exercised by the "constitutional" county court and the county court at law in all matters except probate and eminent domain, of which the county court retains exclusive jurisdiction (eminent domain jurisdiction was transferred out of all "constitutional" county courts by general law in 1971):

County Court at Law of Nolan County (art. 1970-347) (inactive)

County Court at Law of Potter County (art. 1970-311a) — 48

In one county, concurrent jurisdiction may be exercised by the "constitutional" county court and the county court at law in all matters except probate, eminent domain, and civil cases $200 to $500, of which the county court retains exclusive jurisdiction (eminent domain jurisdiction was transferred out of all "constitutional" county courts by general law in 1971):

County Court No. 1 of Galveston County (art. 1970-342a)

County Court No. 2 of Galveston County (art. 1970-342b) — 52

In three counties, the probate jurisdiction of the county court has been vested in specialized probate courts. Under the provisions of a constitutional amendment adopted in 1973, proceedings in these specialized probate courts are on the record and appeals therefrom are to appropriate court of civil appeals rather than to the district court on trial de novo as is the requirement for probate cases tried in the "constitutional" county courts. The statutes creating six of these probate courts provide that they are to have concurrent probate jurisdiction only with the "constitutional" county court:

Probate Court of Dallas County (art. 1970-31a)

Probate Court No. 2 of Dallas County (arts. 1970-31a, 1970-31b)

One probate court has concurrent jurisdiction only with the "constitutional" county court and is to have "primary" responsibility at all times for all mental illness proceedings:

Probate Court No. 3 of Harris County (art. 1970-110a.3) 54

Another specialized probate court, however, has concurrent jurisdiction with the "constitutional" county court in all matters, but only probate cases are to be filed in the probate court:

Probate and County Court of Galveston County (art. 1970-342) 55

Some county courts at law have been created primarily to handle criminal cases. Most of these (22) are limited to criminal cases, concurrent with the "constitutional" county court:

County Criminal Court at Law No. 7 of Harris County (art. 1970-110c.2)

County Criminal Court at Law No. 8 of Harris County (art. 1970-110c.3)

County Criminal Court at Law No. 9 of Harris County (art. 1970-110c.3)

County Criminal Court at Law No. 10 of Harris County (art. 1970-110c.4)

County Criminal Court No. 1 of Tarrant County (art. 1970-62a)

County Criminal Court at Law No. 2 of Tarrant County (art. 1970-62b)

Four county courts at law have concurrent jurisdiction with the "constitutional" county court in criminal matters, and further have sole jurisdiction of appeals from justice of the peace and municipal courts:

56

County Criminal Court of Appeals of Dallas County (art. 1970-31.20)

County Criminal Court of Appeals No. 2 of Dallas County (art. 1970-31.12, eff. 1/1/81)

County Criminal Court No. 4 of Tarrant County (art. 1970-62d)

57

JUSTICE OF THE PEACE COURTS

Justice of the peace courts have original jurisdiction in civil cases wherein the amount in controversy does not exceed $500 and in criminal misdemeanors where punishment is by fine only not to exceed $200. The justice of the peace courts also function as small claims courts in disputes over unpaid wages and salaries where the contested amount does not exceed $200 and in controversies over uncollected bills where the amount does not exceed $150. Trials in justice of the peace courts are not of record. Appeals from these courts are upon trial de novo in the county court, the county court at law, or the district court.

In 32 counties, the county court by special statute has been given concurrent civil jurisdiction with justice of the peace courts in that county:

Armstrong (art. 1970-190)

Atascosa (Acts 1915, ch. 88, p. 141)

MUNICIPAL COURTS

Municipal courts have original and exclusive jurisdiction over purported violations of city ordinances and concurrent jurisdiction with justice of the peace courts over state misdemeanors occuring within the jurisdiction of the municipality where punishment upon conviction is by fine only not to exceed $200.

Trials in all but six municipal courts are not of record with appeals therefrom going to the county court, the county court at law, or the district court upon trial de novo. The municipal courts of El Paso, Houston, Longview, Midland, Sweetwater and Wichita Falls, were created by special statutes as municipal courts of record with appeals therefrom going to the county court on the record perfected in the municipal court.

Article 200a, V.T.C.S., establishes nine administrative judicial districts in the State for administrative purposes. In each such district an active or retired district judge or an active or retired appellate judge with judicial experience on a district court serves as the Presiding Judge upon appointment by the Governor.

The Presiding Judge convenes an annual conference of the judges in the administrative district to consult on the state of business in the courts. The conference is empowered to adopt rules for the administration of cases in the district. The Presiding Judge may assign active or retired district judges residing within the administrative district to any of the district courts within the administrative district.

The Presiding Judge of one administrative district may request the Presiding Judge of another administrative district to assign district judges of that district to sit in the district court located in the administrative district of the Presiding Judge making the request.

The Chief Justice of the Supreme Court of Texas convenes an annual conference of the nine Presiding Judges to determine the need for assignment of judges, and to promote the uniform administration of the assignment of judges. The Chief Justice is empowered to assign judges of one administrative district for service in another whenever such assignments are necessary for the prompt and efficient administration of justice.

REPORTS OF JUDICIAL AGENCIES

OFFICE OF COURT ADMINISTRATION

Article 2328b, V.T.C.S. provides for the Office of Court Administration of the Texas Judicial System to operate at the direction and under the supervision of the Texas Supreme Court and to perform the duties provided by the Act to ensure the efficient administration of the Texas Judicial System and the necessary staff functions for the efficient operation of the Texas Judicial Council.

Reporting Systems

Under the authority of article 2328a, sec. 5, V.T.C.S., which provides for the reporting of statistical data and other information pertaining to the amount and character of the business transacted by the courts, the office receives approximately 2,000 reports each month from the courts of the State. These reports are checked upon receipt for internal inconsistencies and entered into a computerized data system maintained through an interagency agreement with the Texas Department of Water Resources. This provides ready access to the current status of the state of the dockets of the courts throughout the State on a county by county basis. Numerous requests are received and complied with throughout the year on this type of information. The monthly reports are submitted to the office on official forms, revised effective January 1, 1980, developed in consultation with advisory committees of local court officials. These include an eight-page report for the activities of the district courts, a five-page report for county level courts, and one-page reports for the justice of the peace and municipal courts.

Annual reports on court activities are received from the Supreme Court and the Court of Criminal Appeals.

From the statistics reported to the office on the monthly district court reporting forms, a monthly summary is compiled for each of the nine administrative judicial districts of the State. These reports contain information on the number of cases pending at the beginning of the month, new cases added during the month, number of cases disposed of during the month, and the total number of cases pending at the end of the month. The report is provided to the presiding judges of the administrative judicial districts by the 10th of the month following the month the statistics are received to provide them with current statistical district court caseload data on all counties within their administrative judicial district. This enables the presiding judges to exercise the managerial oversight necessary to ensure the effective and efficient administration of justice within their individual administrative judicial districts.

This office also developed and now maintains a monthly reporting system for the courts of civil appeals to aid the Supreme Court in its responsibility of equalizing the dockets of the courts of civil appeals pursuant to art. 1738, V.T.C.S. A report is submitted to the office each month by each of the fourteen courts of civil appeals on an individual case format. These reports are compiled and analyzed and a monthly report is prepared for the Supreme Court on the status of all cases pending in the fourteen courts of civil appeals. These reports contain pertinent data needed by the Supreme Court to make informed decisions in fulfilling its responsibilities in the equalization of dockets. Following the Supreme Court's determination on the transfer of cases, this office contacts each court of civil appeals to effect the transfer of specific cases between the various courts. During the calendar year 1979, 333 cases were ordered transferred by the Supreme Court among the courts as follows:

40 cases from Corpus Christi to Eastland
36 cases from Dallas to Eastland
30 cases form Dallas to Texarkana
30 cases from Austin to Waco
25 cases from Austin to Texarkana
25 cases from San Antonio to Tyler
20 cases from Austin to Beaumont
20 cases from San Antonio to El Paso
15 cases from Houston (1st) to Beaumont
15 cases from San Antonio to Waco
15 cases from San Antonio to Beaumont
15 cases from Houston (1st) to Waco
15 cases from Dallas to Beaumont
15 cases from Dallas to Tyler
14 cases from Houston (14th) to Texarkana
1 case from Austin to Fort Worth
1 case from Houston (14th) to Houston (1st)
1 case from Eastland to Corpus Christi

Another reporting system maintained by this office is that of the Juvenile Probation System. Approximately 205 reports are received each month from the 180 juvenile probation offices in the State. This 4-page report is checked for accuracy and entered into the computerized data bank for current retrieval to comply with requests received by this office concerning juvenile probation activity.

The above described statistics and information are published on an annual basis in two formal reports, one on the court activity and a separate one on juvenile probation activity.

The Fiftieth Annual Report of the Texas Judicial Council and the Second Annual Report of the Office of Court Administration were published as a single report in May, 1979. Containing 706 pages, the report includes statistical data on and analysis of court activity at all levels of courts in the State of Texas for calendar year 1978. Approximately 18,000 monthly statistical reports were compiled and validated during 1978 to produce the statistical data in the Annual Report. Also in the Annual Report are analyses of recent Attorney General's Opinions affecting court operations and articles on the variances in subject-matter jurisdiction of Texas trial courts. The report includes summaries of the structure, responsibilities and activities of eleven agencies which work within the Texas judicial system; a thorough descriptive analysis of the judicial system; and a comprehensive directory of judges, clerks, and court coordinators/administrators in the State. Also included are statistical analyses of assignments by presiding judges of the State's nine administrative judicial districts. The Annual Report was sent to all judges and clerks, members of the Legislature, state and federal agencies, criminal justice planning units, local officials, and libraries. A total of 4,000 copies were distributed.

Two special reports were included in the Annual Report — the text of Chief Justice Joe Greenhill's State of the Judiciary message to the Texas Legislature on January 31, 1979, and a 50-year history of the Texas Judicial Council.

Published and distributed this year was the third annual report on juvenile probation in Texas. Entitled Texas Juvenile Probation Report, this publication contains statistics, analyses, and explanatory text concerning juvenile probation activity and juvenile courts in the State. This report was distributed to all juvenile court judges, juvenile probation officers, members of the Legislature, state and federal agencies, criminal justice planning units, local officals, and libraries. Approximately 1,500 copies were distributed.

The production of the Annual Report and the Juvenile Probation Report is primarily an in-house project —copy is delivered to the printers in camera-ready form after being prepared by the staff of the office.

Legislative Services

During the session of the 66th Legislature, over 100 requests for special reports on proposed or pending bills were received from members of the Legislature and staffs of the various legislative committees having jurisdiction over bills affecting the courts. These requests usually entailed the preparation of individualized reports for reply.

The staff drafted over 100 bills for members of the Legislature, judges, and organizations to consider for introduction during the 66th Legislature. Assistance of various types was provided to the legislative committees concerning the judiciary, including the House Judiciary and Judicial Affairs Committees, and the Senate Jurisprudence Committee. The staff also prepared a daily memo analyzing bills which affect the judicial branch of government and distributed them to the justices of the Supreme Court, the presiding judges of the administrative judicial districts, and other interested officials of the judiciary.

State Appropriation Budget Estimates for the Judiciary

The Act establishing the Office of Court Administration provides that the office is to prepare and submit budget estimates for the maintenance and operation of the judicial branch of government to the Legislature. In fulfilling this responsibility for the 66th Legislature in 1979, the Office of Court Administration worked with the staffs of the Legislative Budget Board and the Governor's Office of Budget and Planning to coordinate the preparation of the budget estimates by the various courts and judicial agencies. Staff members personally conferred with personnel and justices of each of the courts of civil appeals, the Supreme Court, the Court of Criminal Appeals, and the statewide judicial agencies located in Austin to provide technical assistance in the preparation of their budgets. This has opened important lines of communication among all judicial agencies to ensure that the requests for necessary financing for the efficient operation of the judicial branch of government are properly presented to the Legislature.

Support to Other Agencies

Besides its work with the Texas Judicial Council and the Texas Court Reporters Committee, summarized later in this section, the Office of Court Administration maintains the financial records for the operations of the Judicial Planning Committee, and organization which is authorized by federal legislation to oversee the distribution of Law Enforcement Assistance Administration funds provided to the State of Texas for court projects. By the provisions of this federal legislation, the Chief Justice of the Texas Supreme Court and the Administrative Director of the Office of Court Administration serve as members of the Advisory Committee of the Criminal Justice Division of the Governor's Office. Currently, both serve on the Courts Subcommittee of the Criminal Justice Advisory Committee.

Staff members of the office belong to the Texas criminal Justice Information Users Group (TCJIUG), an incorporated organization consisting of city, county, state, and federal criminal justice agencies in Texas which are involved or contemplating involvement in a computerized system or which use or have access to such a system. This requires attendance at several meetings a year and the usual committee work and assignments between such meetings.

The staff of this office also conducts ten lectures per year at seminars and schools sponsored by the Texas Justice of the Peace and Constables Association to aid in providing the schooling mandated by art. 5972, V.T.C.S., and at seminars for municipal court judges conducted under the provisions of art. 1200f, V.T.C.S. Presentations are also made at County and District Clerks Association conferences and the Texas Court Clerk's Association seminars and meetings to provide technical assistance and encourage the improvement of reporting rates on the monthly court activity reports previously discussed.

This office also maintains a close working relationship with, and provides information on the judicial branch of government and court activities to many other State agencies and professional organizations whose work requires a knowledge of the workings of the judiciary, such as the Texas Youth Council, the Local Records Management Division of the State Library, the Judicial Planning Committee, the Criminal Justice Division of the Governor's Office, the County and District Clerks Association, and the Justice of the Peace Training Center. It also provides information on the Texas judicial system to many individual citizens of Texas and other State and private agencies. It maintains contact with the State Court Administrative Offices of other states and with the National Center for State Courts to keep abreast of new developments in the administration of justice in other states and to provide them with information on the Texas judicial system.

Continuing Legal Education of Municipal Court Judges

The 65th Legislature enacted art. 1200f, V.T.C.S., which provides for continuing legal education of municipal court judges. This statute provides that each new non-lawyer judge may complete a 24-hour course in the performance of his duties during the first year of service as a municipal court judge and provides for a similar 8-hour course for lawyer-judges. Thereafter each judge may complete an eight (8) hour course annually. The article provides that the Texas Judicial Council is to administer the Act, discover and encourage the offering of appropriate courses to fulfill the requirements of the Act and review all proposed courses and accredit those meeting the requirements of the Act and as established by the Council. The Act further provides that the Council is to make an annual report to the Governor, the Attorney General, and the City Attorney of each city on the non-compliance by individual judges with the provisions of the Act. To implement this law, the Council staff (Office of Court Administration) devoted considerable time to the development of courses and seminars meeting the requirements of the Act, monitoring the courses accredited by the Council and recording the attendance of judges attending the courses. As there is no central statewide registry of municipal courts or judges, a considerable amount of time is spent by the staff in locating and identifying the municipal judges of the State. An Accreditation Committee composed of Justice Barrow, Chairman, and Council members Mr. Cook and Mr. Sewell were appointed to make recommendations to the Council on the accreditation of courses and the granting of waivers. During the year, 16 courses accredited by the Council were held. Over 500 municipal judges attended these courses. In addition, the Council granted 53 judges waivers from the education program under the provisions of section 4(b) of art. 1200f.

Preferential Settings

It came to the attention of the Council that several enactments of the Legislature direct the courts to treat certain matters preferentially. For the purpose of directing attention to the possible conflicts this situation could present in a court's management of its docket, the Council compiled a listing of the 36 statutes identified as directing preferential treatment of various matters. This listing was distributed to the district judges of the State.

Reports of Cases Under Advisement

Concern about reports of some judges holding cases under advisement for unnecessarily long periods of time led to the appointment of a Council committee to study the area. The following resolution prepared by that committee was adopted by the Council and sent to the Presiding Judges of the Nine Administrative Judicial Districts to urge the judges of the State to monitor the length of time cases are held under advisement:

WHEREAS the Committee on the Judiciary of the Texas House of Representatives recommended in its Interim Report to the 65th Texas Legislature that legislation be considered to make it the duty of a district judge to rule within a period of three months on all cases taken under advisement; and

WHEREAS the Regular Session of the 65th Legislature, 1977, did enact such legislation as an amendment to Section 6 of Article 200a, Vernon's Texas Civil Statutes; and

WHEREAS no sanctions have been imposed by law for non-compliance with this requirement; and

WHEREAS bona fide and compelling reasons sometime exist for holding a case under advisement; and

WHEREAS the Texas Judicial Council believes that in fairness to litigants and attorneys and in the interest of the prompt administration of justice, a district judge should rule on a case taken under advisement by him within a three month period unless there are compelling reasons to prevent him from doing so;

NOW THEREFORE BE IT RESOLVED that the Texas Judicial Council urges the conference of judges in each administrative judicial district to adopt a rule as authorized by Sections 4 and 7 of Article 200a, Vernon's Texas Civil Statutes providing that a report be made to the presiding judge of the administrative judicial district at the first of any month by such regular district judges who have cases pending under advisement for a period of three months or longer, listing those cases and the reasons for delay in disposition.

Legislative Proposals

A variety of measures before the 66th Legislature were endorsed by the Council during the early part of the year:

1. Increasing the salaries of the Presiding Judges of the Administrative Judicial Districts;
2. Dedication of a part of the Law Enforcement Officers Standards and Education Fund, funded by court costs on convictions for traffic violations, for use for municipal judge and justice of the peace training courses.
3. A bill to give trial court judges administrative assistance by providing a State fund to hire a secretary, bailiff, or administrator.

Following the legislative session, the Council formally endorsed S.J.R. 36 proposing a constitutional amendment to be voted on in November, 1980, to allow the Legislature to grant intermediate criminal appellate jurisdiction to the present courts of civil appeals and to change their names to "Courts of Appeals."

Now under study by the Council are the present filing fees in the appellate and trial courts of the State. The anticipated result of this study will be recommendations to the 67th Legislature on possible needed changes in the structure and amount of those fees.

TEXAS COURT REPORTERS COMMITTEE

The Texas Court Reporters Committee was established by the 65th Legislature and operates pursuant to article 2324b, V.T.C.S. which became effective on August 29, 1977. This article requires each person who desires to engage in the practice of shorthand reporting for use in litigation in the courts of this State to be certified by the Supreme Court upon the recommendation of the Committee. The Committee is charged with the responsibilities of reviewing applications of persons who were engaged in court reporting prior to the enactment of the statute for certification without examination; developing and administering tests on the qualifications and

skills for court reporters as set out in the law; collecting fees; certifying successful applicants to the Supreme Court for official certification; conducting hearings on complaints filed against certified shorthand reporters; and revoking certification of reporters for unprofessional conduct, appealable to the district courts.

Court reporters who were actively engaged in the practice of shorthand reporting for use in litigation in the courts of this State prior to the effective date of the Act, August 29, 1977, may apply for certification without the necessity of taking an examination, under the provisions of sec. 16(a) of the Act. Since beginning operations, the Committee has officially recommended for certification 1,067 persons under the provisions of section 16(a).

The Committee administers tests to determine the qualifications of other persons applying for certification as provided for in sec. 12 of the Act. During 1979, it conducted six (6) examinations for 335 applicants. Of these, 134 successfully completed both portions of the test and were officially certified as shorthand reporters. As many of the applicants were unsuccessful at the first or subsequent exams, the 335 applicants represent 220 individuals. During this same period the Committee conducted four (4) formal hearings on appeals filed by applicants.

As of the date of this report, a total of 1,287 persons have been certified as certified shorthand reporters and are therefore eligible to engage in the practice of shorthand reporting for use in litigation in the courts of this State.

The Texas Court Reporters Committee is composed of an active district judge who serves as chairman; two members of the Bar; three active official court reporters; and three active freelance reporters; who are appointed by the Supreme Court for six year terms. The office of Court Administration performs the administrative staff function for the Texas Court Reporters Committee.

STATE LAW LIBRARY

The State Law Library was created in 1971 by merging the collections of the Supreme Court, the Court of Criminal Appeals, and the Attorney General. Article 5444b, V.T.C.S., which establishes the State Law Library, provides in part:

Sec. 3. (a) The library is under the control of, and administered by, the State Law Library Board composed of the Chief Justice of the Supreme Court of Criminal Appeals, and the Attorney General. Each member of the board may designate a personal representative to serve for him.

(b) Members of the board or their designated representatives are not entitled to compensation for service on the board, but each member or representative is entitled to reimbursement for actual and necessary expenses incurred in attending meetings and performing offical duties, to be paid out of funds appropriated to the board.

Legal reference facility; use

Sec. 4. The library shall maintain a legal reference facility to include the statutes and case reports from the several states and legal journals and periodicals. The facility shall be maintained for the use and information of the members and staff of the:

1. Supreme Court;
2. Court of Criminal Appeals;
3. Attorney General's Department;
4. commissions, agencies, and boards of the other branches of State government; and
5. citizens of the state.

Presently the library collection includes complete case reports from all jurisdictions in the United States, complete statute and regulatory sources on Texas and federal law, and a wide selection of treatises, looseleaf services and periodicals for current information in all areas of law. There is also an extensive collection of sources on the historical background of Texas law, including Spanish and Mexican codes as well as early Texas materials.

The library has two main reading rooms, located on the first and second floors of the Supreme Court Building. The collection numbers about 70,000 volumes, of which approximately two-thirds are housed in the two reading rooms. The remainder of the book collection is in special satellite collections in other parts of the building for the use of the two high courts and the attorney general's staff. Circulation approaches 12,000 volumes a year, and use of the reading rooms for study and research averages between 70 and 80 people a day.

Although the library gives priority to the needs of the courts and the attorney general in establishing its policies, its responsibilities in other areas are not neglected. An extensive photocopy operation provides, within the guidelines of the copyright law, copies of library materials such as cases and statutes in lieu of allowing books to leave the library. In addition to a coin-operated machine for walk-in patrons, a system of intergency contracts furnishes state agencies with about 35,000 copies a year, and inmates of the Texas Department of Corrections obtain at minimum cost the copies of court records needed for writs and appeal papers, amounting to nearly 12,000 pages monthly. Books are chosen with the needs of practicing attorneys in mind as well as those of agency legal counsel. And, as soon as funding can be obtained, a facility for computer assisted legal research will be maintained for as many segments of the legal community as possible.

The library is also conscious of the need for legal materials in libraries over the state, both for the legal profession and for the general public. Staff members give assistance to public and academic libraries in many ways, and the library was partly instrumental in the introduction of legislation in the 65th legislature simplifying and unifying the statutory provisions on county law libraries.

STATE COMMISSION ON JUDICIAL CONDUCT

The State Judicial Qualifications Commission was created by Constitutional Amendment adopted by the electorate Nov. 2, 1965, and covered justices and judges of the district, criminal district, and appellate courts. An amendment to the Constitution adopted in the general election of 1970 increased the jurisdiction of the Commission to include all justices and judges of the State and added the sanction of censure, after a hearing, or private reprimand. An amendment adopted in the general election on Nov. 8, 1977, changed the name of the Commission to the State Commission on Judicial Conduct, added two new members (one lay member and one justice of the peace), provided for the suspension from office with or without pay by the Commission immediately upon an indictment by a State or Federal Grand Jury for a felony offense, or by the Supreme Court under certain circumstances. Suspension from office is with or without pay, pending final disposition of the charge. It gives to the master the same powers of a district judge relative to contempt for failure to appear as a witness or to produce documents; allows for a private or public reprimand; grants to the Supreme Court the power to prohibit a judge who has been removed from office from holding judicial office in the future; allows the Commission to issue a public statement when sources other than the Commission cause notoriety concerning a judge or the Commission, and upon a recommendation of the Commission, for the suspension, censure, retirement, or removal of a Justice of the Supreme Court, seven Court of Civil Appeals Justices, selected by lot, shall serve in place of the Supreme Court.

The Constitution empowers the Commission the consider complaints against any justice or judge concerning acts or conduct which are clearly inconsistent with the proper performance of his duties or which cast public discredit upon the judiciary or administration of justice. The Commission may, if it deems necessary, initiate removal proceedings or take actions for the involuntary retirement of justices or judges who are disabled to the extent that they are unable to perform their duties, or when their disability is likely to become permanent in nature.

Members of the Commission consist of two appellate justices, two district judges, one justice of the peace, two attorneys, and four lay members. The judicial members are appointed by the Supreme Court of Texas, the attorneys by the Board of Directors of the State Bar of Texas, and the lay members by the Governor of Texas, all with the advice and consent of the Senate. No two members may serve from the same Supreme Judicial District, with the exception of the justice of the peace who is selected from a list of five names submitted by the Executive Committee of the Justice of the Peace and Constables Association of Texas to the Supreme Court and serves at large.

The Commission operates under Rules for the Removal or Retirement of Judges, Adopted and Promulgated by the Supreme Court of Texas, and provides staff, confidentiality, and a hearing agency to receive, screen, and investigate complaints. The Commission is authorized to hold adversary

hearings which are confidential. This provides a calm atmosphere for fact-finding and the procedural protections necessary to ensure the respondent justice or judge a fair hearing. As an alternative to the recommendation for removal or involuntary retirement, the Commission may choose the less harsh remedy of either public reprimand or censure.

It is the policy of the Commission to work with members of the judiciary to improve their image and service to the people of Texas, and a recommendation of removal is resorted to only as a last measure when the problem cannot be resolved in a more constructive way.

Although most cases are ultimately dismissed, this does not mean that they were without merit. Action was taken at the Commission level to remedy all matters where there appeared to be a breach of judicial ethics on the part of a judge.

Many complainants are not familiar with the legal procedure or how the courts operate, the jurisdiction of the judge, their right of appeal, and other aspects of the judicial system. They do know that they are unhappy with the system and want someone to hear their complaint. Usually, by letting them have all the time they need, and then explaining to them why the judge acted or ruled as he did, they are mollified somewhat. The tremendous caseload of the courts and the demand on the time of a judge does not permit him to give to these people the time they feel they deserve. To the individual, his case is the only one — to the judge it is one among hundreds of a similar nature. By serving as an intermediary, taking remedial action when necessary, the Commission feels that it negates much of the animosity toward the judicial system and provides the lay person a better understanding of the judiciary. Prior to the establishment of this Commission, there was no forum to hear complaints against members of the judiciary.

When it appears that a justice or judge is guilty of misconduct which is willful and persistent, or when it appears he cannot perform his duties because of a disability, the Commission acts promptly, adhering strictly to the Rules for the Removal or Retirement of Judges.

On January 1, 1979, there were 18 complaints pending which had not been finally resolved. These complaints were disposed of in 1979 in the following manner: one private reprimand, one public reprimand which disposed two complaints, one judge resigned, 12 complaints were dismissed, and one complaint was carried forward. One judge was publicly censured.

In addition to the 18 complaints pending, there were 69 new complaints filed during the year. Of this number, 28 complaints were dismissed, two judges retired, nine judges were privately reprimanded, three judges were publicly reprimanded, one was not re-elected while the complaint was pending, three judges were suspended without pay, one formal hearing was held, one judge was convicted of a felony offense while the complaint was pending, seven complaints have been placed on the Suspense Docket, and 16 complaints are pending. One proceeding was filed in the Supreme Court, but the judge resigned and the complaint was withdrawn. Fourteen judges were required to appear before the Commission.

Approximately 30 matters were never formally docketed as they were resolved either over the telephone or by a visit from one of the investigators.

JUSTICE COURT TRAINING CENTER

The Justice Court Training Center is co-sponsored by the Justices of the Peace and Constables Association of Texas and Southwest Texas State University. Funding of the program is made possible from the Omnibus Crime Control and Safe Streets Act of 1968 and the Criminal Justice Planning Fund established by the 62nd State Legislature through Senate Bill No. 841.

The goal of the Training Center is to provide training to the more than 900 Texas justices of the peace. Training is available to lawyer and non-lawyer judges but particular emphasis is placed upon the non-lawyer judge.

An intensive 40-hour course is available to newly appointed or elected justices of the peace which satisfies the training requirement for new J.P.'s as established in House Bill No. 168, passed by the 62nd State Legislature. Continuing yearly in-service legal education which is required under the provisions of House Bill No. 81, as passed by the 63rd Legislature is provided utilizing ten 20-hour regional schools held throughout Texas.

The 40-hour training curriculum includes instruction on: Judicial Ethics, Rules of Evidence, Bond Setting, Inquests, Truancy Laws, Complaints, Search Warrants, Examining Trials, Arrest With and Without Warrant, Peace Bonds, Administrative Practices, as well as other duties and responsibilities of the justice court.

The 20-hour curriculum was directed at increasing the judge's ability to apply certain skills in the procedural and administrative areas of his jurisdiction. Emphasis is placed in the following areas: Criminal Complaints, Examining Trials, Rules of Evidence, Civil Workshop, Issues Involved in Probable Cause, Inquests, General Law Review, Relationship with Texas Peace Officers, Traffic Laws, Attorney General Opinions and other germane subjects.

The administrative offices for the training program are located at Southwest Texas State University in San Marcos, Texas. The Training Center's staff is composed of an executive director, a deputy director, an office manager, and an administrative assistant.

The Board of Directors is responsible for setting the operational policy of the Training Center. In addition to the staff and directors, numerous individuals from throughout the Criminal Justice System are involved in curriculum development and program implementation.

JUDICIAL COORDINATING COMMITTEE
(FORMERLY THE JUDICIAL PLANNING COMMITTEE)

The 1976 amendments to the Omnibus Crime Control Act of 1968 (Public Law 94-503) gave the court of last resort of each state the option of establishing a Judicial Planning Committee. The Supreme Court of Texas, by court order, established the Judicial Planning Committee of Texas on May 2, 1977. On December 10, 1979, the Court reappointed the Judicial Planning Committee members to staggered 3 year terms commencing on January 1, 1980.

The Justice System Improvement Act of 1979 (Public Law 96-695) changed the Committee's name to the Judicial Coordinating Committee. The functions which the Committee is to perform are (1) establish priorities for improvement of the courts of the State (2) prepare and submit to the State Criminal Justice Council a three year application and amendments for programs and projects to improve the courts and judicial agencies of the State and (3) review applications and amendments for court projects or programs from eligible jurisdictions to insure consistency with priorities established by the Committee.

The Committee has 21 members representing trial and appellate judges, criminal, civil, and juvenile

judges, prosecutors and defenders, legislators, general practitioners, law professors and court assistance personnel. The Honorable Joe R. Greenhill, Chief Justice of the Supreme Court is the Committee's chairman; and its staff activities are supervised by the Honorable Charles W. Barrow, Justice, Supreme Court of Texas. There are six standing subcommittees: (1) Program Review, chaired by Jim D. Bowmer, (2) Court Administration, chaired by Judge Clarence Guittard, (3) Criminal, chaired by George Gilkerson, (4) Juvenile, chaired by Judge Darrell B. Hester, (5) Creation of New Courts, chaired by Judge James G. Denton, and (6) Court Resources, chaired by Judge James W. Barrow.

Courts are encouraged to utilize LEAA [Law Enforcement Assistance Administration] "seed" money to start improvement programs for the judicial system. The current court priorities established by the Committee are (1) strengthening and coordinating the criminal and juvenile justice systems, (2) reducing the time between arrest, indictment, and trial, (3) implementing court reforms, and (4) increasing the use of effective alternatives to pre-trial detention. Some of the specific projects eligible for funding are (1) administrative support for presiding judges of the administrative judicial districts, (2) training for trial and appellate judges, (3) training for court support personnel, (4) annex or temporary courts, (5) administrative personnel for and evaluators of trial court administration, (6) computer-assisted transcription projects and computerized information systems, and (7) pre-trial release and night magistrate programs.

Jurisdictions proposing court-related programs are encouraged to consult with the Committee prior to the formal submission of applications to the State Council in order to assure adequate coordination of courts' activities. Any application or amendment submitted to the State Criminal Justice Council for improving the courts shall be reviewed by the Judicial Coordinating Committee prior to final Council action. The Committee shall review these applications or amendments for consistency with the court priorities and report to the Council and to the applicant its findings of consistency or inconsistency.

TEXAS ADULT PROBATION COMMISSION

The Texas Adult Probation Commission, created by the 65th Legislature (art. 42.121, C.C.P.), consists of three judges of the district courts of Texas, two citizens of Texas who are not employed in the Criminal Justice System to be appointed by the Chief Justice of the Supreme Court of Texas, three judges of the district courts of Texas, and one citizen of Texas who is not employed in the Criminal Justice System to be appointed by the presiding judge of the Texas Court of Criminal Appeals.

The Commission is directed to establish minimum standards for caseloads, programs, facilities, equipment, and other aspects of the operation of a probation office necessary for the provision of adequate and effective probation services, to establish a code of ethics for probation officers, and provide for the enforcement thereof. The Commission is also empowered to require each probation office in Texas to keep such financial and statistical records as the Commission deems necessary.

The Commission was given the purposes:

> "To make probation services available throughout the State, to improve the effectiveness of probation services, to provide alternatives to incarceration by providing financial aid to judicial districts for the establishment and improvement of probation services and community-based correctional programs, and facilities other than jails or prisons, and to establish uniform administration standards." (article 42.121, section 1.01, Code of Criminal Procedure)

The Commission is empowered to provide financial assistance to judicial districts to achieve the purposes previously stated.

ACTIVITIES FOR 1979

Calendar Year 1979 saw the Adult Probation Commission emerge as an efficient and effective state institution directing and assisting adult probation in the State.

Through its per capita formula distribution system the Commission provided state funds in excess of $17 million dollars to support 91 local adult probation departments. In addition to the formula distribution program, the Commission also distributed $521,000 dollars in supplemental program funds to 29 departments to maintain adult probation services being offered. In the special project funding category the Commission made available to 10 departments approximately $412,000 dollars to institute innovative adult probation projects.

In addition to providing fiscal support to the local adult probation departments, the Commission embarked on a series of unique technical assistance programs of the adult probation departments in Texas.

During the summer of 1979 the Program Services Division of the Commission began a pilot project of case classification, in cooperation with selected adult probation departments. The pilot system, modified from a Wisconsin program to meet specific Texas needs, will be designed to assess the needs of an individual during their probationary period. Training sessions regarding the collection and reporting of information and evaluation techniques were held in seven locations throughout the State to prepare those departments participating in the project with its implementation in September. The innovative system when fully operational will allow departments to better protect the community, serve the needs of probationers and allow the Commission to better assess the activities of the adult probation departments.

The Commission was fortunate in receiving one of eight national presentence investigation reporting grants from the Law Enforcement Assistance Administration during 1979. The goals of the developmental project are: to increase effectiveness and efficiency of pre-sentence investigation reports as a decision-making tool in sentencing; to improve judicial response to pre-sentence investigation; and to develop and refine various pre-sentence investigation report format models. This project, designed to assist the local departments in their responsibilities, will employ field testing in eight adult probation departments and courts throughout the State. Anticipated for completion in 1980, the PSI project results undoubtedly will offer adult probation departments and courts throughout the State an effective tool.

Training and education of adult probation officers also received a high priority during 1979. The Commission sponsored 24 training workshops for adult probation personnel in case management skills and co-sponsored eight workshops with other criminal justice agencies. Working with its training experience and education data base, the Commission staff monitors the status of each officer in relation to both the statute and the Commission Standards concerning qualifications and educational experience.

The Commission also undertook this last year, the auditing and program monitoring of those probation departments receiving state aid. During 1979 the Program Services Division monitored some 34 departments concerning the operation and services provided by those departments in comparison with Commission Standards. The audit staff of the Fiscal Services Division performed five fiscal audits, five audit surveys, and six specified item audits during 1979 to insure proper management and accounting of judicial district funds.

The Program Services Division completed a study and developed a quideline document regarding confidentiality laws and regulations as they affect probation departments' operations. A draft document was made available to adult probation departments for their review and comment prior to finalization and publication.

The Information Services Division of the Commission was active during 1979, as evidenced by the numerous specialized studies performed and cooperative efforts in data gathering established with the adult probation departments across the State. The division was responsible for sponsoring two Cooperative Information Network Conferences during 1979. The conferences, held in Dallas and Corpus Christi allowed participants to discuss various aspects of information systems, their development, their operation and implementation. In July, the Division also produced the Telephone Directory of Adult Probation Officers and Designated Chief Fiscal Officers in Texas. The 1979 version of the directory continued the format of the 1978 publication by providing a cross-reference document to facilitate communication among adult probation offices in Texas. Throughout 1979 the Information Services Division prepared various statistical profiles of probation data collected from the adult probation de-

partments across the State and performed specific analyses such as: calculating success rates for felony and misdemeanor probation; probation utilization rates for district courts; turnover rates among adult probation offices; comparative analysis of admissions to the Texas Department of Corrections; seasonal variations in district court activity; comparisons of new cases versus terminations; a status report on computerization by the 91 participating adult probation departments; a study of the increasing role of women in adult probation; projected caseloads for the participating adult probation departments for Fiscal Years 1980-1981.

Informing the Texas public of adult probation activities was attempted through various media. In the Fall of 1979, the Commission published and distributed its Biennial Report for 1978-79, which highlighted activities of the Commission during its first two years of existence. In addition, the Commission prepared a general distribution brochure regarding Texas probation; of which more than 18,000 have been distributed, through the adult probation departments, to the citizens of Texas. To assist individuals in their understanding of the Commission's Standards, a document containing the Standards, the related legislation and a cross-indexing was published during the Summer of '79. The Commission continued its publication of the TAPC Newsletter to provide information to the adult probation departments and interested parties throughout the State. As a part of the Commission's public information program a display unit was developed to graphically present information and data on the Commission, community-based corrections, and Texas probation today. The display unit was used at the annual Conference of the Texas Corrections Association in Fort Worth, the annual Conference of the State Bar of Texas in San Antonio, and was made available to local adult probation departments, on a loan basis, to inform the general public in their area concerning this information.

TEXAS PROSECUTORS COORDINATING COUNCIL

The Texas Prosecutors Coordinating Council was created by the 65th Legislature (article 332d, V.T.C.S.) with four broad program objectives:

(1) To receive, investigate and take actions on complaints of prosecutorial misconduct and incompetency; to set up and implement minimum standards for prosecutors' offices; to provide information to the public on the quality of prosecution and to create a better understanding of the duties and responsibilities of prosecutors on the part of the public;

(2) To provide non-legal assistance to prosecutors by providing information on what other prosecutors are doing, by providing techniques to improve efficiency and productivity and by assisting prosecutors in dealing with other state agencies; to provide assistance and information to other state agencies, including the Legislature and the Governor, on the duties and responsibilities of prosecutors as well as on the needs and status of prosecution;

(3) To provide technical assistance to prosecutors' offices throughout the legal process from the beginning when a case is brought to the prosecutors' offices for screening through and including post-conviction processes on both the state and federal level;

(4) To provide professional development and training of prosecutors, their assistants and staff, by providing funds for their attendance at various in-service training courses, for approving such in-service training courses, and providing such other information including professional development manuals as prosecutors shall require.

In the area of discipline and minimum standards, the Council has received 199 complaints and inquiries regarding alleged prosecutorial misconduct or incompetency. Of these, 54 have developed into formal complaints. Of these 54 formal complaints, two have resulted in the institution of removal suits, one in public reprimand, one in a private reprimand, and the other 50 in dismissals of the complaints filed. The reasons for the dismissals of the complaints have ranged from a lack of jurisdiction, to failure on the part of the complainant to state a valid complaint against the prosecutor, to failure of the complainant to present evidence substantiating the claim of prosecutorial misconduct. The overwhelming majority of these complaints and inquiries show that the public has a basic lack of understanding of a prosecutor's duties and responsibilities. The public tends to blame the prosecutor for the failure of the police to adequately investigate a case, for the idiosyncrasies of the laws which often times seem to protect the guilty at the expense of the victim, and for the vagaries of court decisions which, again, in the public's eye, seem to be more concerned with the rights of the oppressors than of the oppressed. The Council feels that one of its major duties is to explain the role of the prosecutor in the criminal justice system.

The first full year of the Council's activities in this area seem to show that while there is a great need for the Council's services to the public, there is very little actual misconduct on the part of prosecutors throughout the State.

In the area of assisting prosecutors with non-legal type assistance, the Council has set up a liaison in Austin with other state agencies. The Council is presently assisting prosecutors with any problems they have in Austin. Likewise, the Council is assisting other state agencies in their dealings with prosecutors. The Council has found there to be very little factual information on the status of prosecution and the needs of prosecutors available to state agencies, including the Legislature and the Governor. The Council will attempt to correct this during the next year.

In addition, the Council is attempting to identify other problems facing prosecutors in doing their duties and other state agencies in assisting prosecutors.

In the area of technical assistance the Council has been providing rudimentary assistance to prosecutors limited by its small staff. The Council has been assisting in the area of federal habeas corpus writs acting as a liaison between the Attorney General's office and the local prosecutor. In the past there seems to have been a feeling on the part of prosecutors that the Attorney General's office did not consult them and a feeling on the part of some members of the Attorney General's office that prosecutors did not assist them. As a result, the Council has attempted to act as a liaison between these bodies assisting each to understand the other's problems.

The Council is also filing extensions for filing briefs with the Court of Criminal Appeals in behalf of prosecutors thus saving time and taxpayers' money.

In the area of professional development, the Council has only barely begun during the past year to address this statutory duty. At present the professional development area has been covered by a Criminal Justice Grant to a non-profit corporation, the Texas District and County Attorneys Association.

To assist the Council in these four major functions it has set up advisory committees of prosecutors composed of 15 to 20 prosecutors for each of the four committees scattered throughout the state. It is the firm belief of the Council that in order for a state agency to properly serve its constituency it must have direct and constant input from the people it affects. These advisory committees are an effort to assure the channeling of information directly into the Council from prosecutors.

During the coming year the Council has set out several goals which it wishes to accomplish with the advice of these committees. In the area of minimum standards and discipline the Council is continuing to answer citizen complaints and to explain to citizens the duties and responsibilities of prosecutors. In this respect together with the services function, the Council is studying ways of producing information booklets that can be distributed to the public on prosecutors' responsibilities.

In the area of services the Council is

studying different kinds of how-to books that can be produced for the benefit of prosecutors to increase the efficiency and effectiveness of their offices. Close coordination is being maintained with the Services Advisory Committee to determine what areas would be most beneficial to prosecutors. The Council is also maintaining liaison with other state agencies as to their needs.

In this regard the Criminal Justice Division has funded a study requested by the Senate Jurisprudence Committee to be done by the Texas Prosecutors Coordinating Council. This study will address the needs of prosecutors by determining their present status and making recommendations for the improvement of the quality of prosecution. This study will also gather competent and valid statistics on prosecutors that will be available to other state agencies.

In the area of technical assistance the Council plans to work with its advisory committee to determine the needs of prosecutors in this area. It is presently continuing to monitor Attorney General Opinion Requests, filing extensions for briefs, providing rudimentary technical assistance, and providing direct prosecutor support.

At the very end of this year the Council began an assistance program investigating allegations of official misconduct by the officers in North Texas State University. This project is based on a request for technical assistance by the prosecutor of Denton County and on a request for information by the Legislature which the Council by statute is required to meet.

Finally, in the area of professional development the Council is proceeding slowly to make sure that its function does not overlap with the function already being performed by the Texas District and County Attorneys Association.

The Council strongly believes that a state agency ought to serve the public and be responsive to the people with whom it deals. The Council has made this its primary purpose. It feels that it is well on its way to accomplishing this objective. The Council would particularly like to thank the Governor, the Legislature and the Criminal Justice Division for its assistance and support during these formative years. The Council also appreciates the many services that have been provided by other state agencies and employees throughout this past year. The Council is proud to be part of a government that is dedicated to serving the people of Texas efficiently and economically.

JUDICIAL SECTION, STATE BAR OF TEXAS

The Judicial Section of the State Bar of Texas is a voluntary association within the State Bar. The membership is open to any member of the State Bar who is serving or has served as a judge or justice of a court of record in the State of Texas, either state or federal. Former judges may participate as honorary members.

The activities of the Section are financed by dues fixed by the Executive Committee of the Section. Educational activities of the Section are funded by the Texas Center for the Judiciary, which operates under the supervision of the Section's Committee on Continuing Education.

The annual meeting of the Section is ordinarily held in September of each year, the meeting in 1979 being held in Abilene on September 25-28, 1979. There were more than three hundred judges in attendance, many of whom were accompanied by their spouses. Chief Justice Joe Greenhill and Presiding Judge John F. Onion, Jr., spoke on the judiciary and the co-chairman of the Legislative Committee, Judges Lee Duggan and B. B. Schraub, spoke on the activities of that Committee.

The judges also heard presentations by Honorable Will Barber on the subject of "Special Issue Submission: Discretion and Update;" by Professor Gene Smith on "1979 Amendments to the Family Code and their Effects;" by Honorable Gerald H. Goldstein on "Trends in Criminal Law;" by Professor William V. Dorsaneo on "Discovery;" by Honorable John L. Hopwood on "Estate Planning: You be the Judge;" by Justice Quentin Keith, "Opinions of the Judicial Ethics Committee;" by Judge Darrel Hester on "The State Commission on Judicial Conduct;" by Honorable Chrys Dougherty on "A Report on the State Bar of Texas;" by Honorable Mike Irish on "A Report on the Texas Young Lawyers Association."

One session was divided into two sections: the Trial Judges Section heard from Honorable Eugene Cook on the subject of "Recent Developments affecting Texas Trial Litigation," and from Honorable Barbara Kazen on "The Developing Law of Non-Marital Cohabitation." The Appellate Judges heard an address by Honorable John Warnock, Assistant Professor of English at the University of Wyoming.

The Section is primarily interested in the continuing legal education of the judges of Texas so that they may better serve the citizens of the State. To that end, regional conferences are held each year, usually in the Spring. In 1979 there were conferences held in South Texas, in West Texas, in Northeast Texas, and in the Second Administrative Judicial District at Huntsville. In each instance, the judges in attendance heard able speakers discuss current legal issues and problems.

Additionally, the Texas Center for the Judiciary sponsors the Texas College for the Judiciary where older and more experienced judges deliver formally prepared papers in lecture form to new judges entering upon judicial service. This College, begun in 1974, is presided over by Judge Tom G. Davis of the Court of Criminal Appeals.

Another outstanding activity sponsored by the Texas Center for the Judiciary is the annual Criminal Justice Conference held in Huntsville in May of each year, which is presided over by Judge Carl Dally of the Court of Criminal Appeals. Many qualified judges and other speakers bring new and current developments in the criminal field to the attention of the judges of the State.

All state judges are subject to the Code of Judicial Conduct approved by the Section and officially adopted by the Supreme Court. The Section's Ethics Committee, composed of nine members, considers recommendations for changes in the Code, and also delivers formal opinions on questions of ethics arising under the Code and submitted by members of the Section. The Ethics Committee is solely an advisory body.

TEXAS CENTER FOR THE JUDICIARY

The Texas Center for the Judiciary is the central agency in Texas providing continuing legal education programs for the State judiciary and supportive personnel. It also provides staff support for the Judicial Section of the State Bar.

Established January 1, 1973, the Center is funded by a grant from the Criminal Justice Division of the Governor's Office (LEAA funds) to the State Bar. Operating budget for 1980 is $459,008.

The Judicial Section's Continuing Legal Education Committee is the governing body of the Center. The Center provides staff support for all Judicial Section Committees, including the CLE, Executive, Judicial Ethics, Juvenile Court Judges, Legal Specialization, and Uniform Punishment in Texas Committees.

Educational opportunities provided by the Center under the guidance of the Section's CLE Committee take several forms. In addition to conferences and seminars, the Center prepares and distributes training manuals to Texas judges and provides financial assistance for judges to attend seminars on the national level, such as the National College of the State Judiciary in Reno, Nevada. Publications include the two-volume Benchbook for Texas Trial Judges, Juvenile Court Judges Manual, County and District Clerks Manual, Texas Adult Probation Manual, Texas College of the Judiciary Notebooks, Deskbook for Court Administration, Proceedings of Seminar for County Judges, Judicial Yearbook, Code of Judicial Conduct, Adult Probation and Community Corrections in Texas: A Master Plan 1977, and In Chambers Newsletter.

Continuing education and training programs sponsored by the Center cover the three major areas of criminal law, juvenile law, and the administration of justice. Among the conferences sponsored by the Center in 1979, with the number of persons attending, were: South Texas Judicial Conference (90), Criminal Justice Conference (185), Juvenile Justice Conference (50), Second Administrative Judicial District (75), Third Administrative Judicial District (25), Sixth-Seventh-Ninth Administrative Judi-

cial Districts (50), Briefing Attorneys Seminar (50), Court Coordinators Seminar (50), Texas College of the Judiciary (40), Judicial Section Conference (350 judges and total of 650 persons), and Appellate Clerks Seminar (13).

Conferences to be sponsored by the Center in 1980, in addition to those annual conferences previously mentioned, will include the Fifth Texas College of the Judiciary, the Seminar for County Judges, and the First Administrative Judicial Conference.

COMMITTEE ON JUDICIAL ETHICS

Upon the request of the members of the Judicial Section of the State Bar of Texas, the Supreme Court promulgated a Code of Judicial Conduct effective September 1, 1974. On November 9, 1976, responding to a resolution of the Judicial Section, certain amendments to the Code were adopted.

The Judicial Section of the State Bar of Texas has appointed a Committee on Judicial Ethics to render advisory opinions on the Code of Judicial Conduct. During the calendar year 1979, this Committee handed down twelve opinions, numbers 40 through 48, which are reproduced herein. Inquiries concerning requests for opinions should be directed to Jack Dillard, Executive Director of the Texas Center for the Judiciary, P.O. Box 12487, Austin, Texas 78711, phone 512/475-7087.

Opinion No. 40

Question: Does a judge subject to the Code of Judicial Conduct promulgated by the Supreme Court of Texas violate such code by making periodic and regular financial contributions to a political party?

Answer: The Committee, by unanimous vote, answers the foregoing question in the negative. Since the amendment of *Canon 7* of the Code of Judicial Conduct, on February 18, 1977, such a contribution does not constitute an ethical violation of the Code.

Whether a judge makes a contribution or refrains therefrom is a purely personal determination and presents a question not within the jurisdiction of this Committee.

Opinion No. 41

Question: May a judge subject to the provisions of the Code of Judicial Condut appear as an operatic singer at fund-raising activities of religious or charitable organizations?

Answer: The Committee is of the opinion that such activity would be in violation of *Canon 5 B (2)*. While a judicial officer may not be a speaker or guest of honor at such an event, he may attend such events.

Opinion No. 42

Question: May a lawyer who has for many years been a director of a bank and of a savings and loan association continue acting as a director of the corporate entities after his appointment and qualification as a judge of a newly created County Court at Law?

Answer: The Committee is of the opinion that continued service as a director after qualification as a judge would be in violation of *Canon 5 C (2)* of the Code of Judicial Conduct. The fact that one person owns more than ninety-five percent of the stock of one entity is immaterial since there are more than ten other "owners" of stock in the corporate entity.

Opinion No. 43

Question: Is it a violation of *Canon 5 C (2)* of the Code of Judicial Conduct for a county-level judge to serve as an uncompensated member of the board of directors of a county employees credit union operating under *TEX. REV. CIV. STAT. ANN. art. 2461-1.01, et seq.* (Supp. 1978-79)?

Answer: Assuming that there are more than ten members of the credit union, the Committee is of the opinion that such continued service would be in violation of the cited canon. See Opinion No. 37 (*In Chambers,* Vol. 5, No. 3, p. 3).

Opinion No. 44

Question: Can a judge, who is subject to the Code of Judicial Conduct accept free passes to movies, football games, college plays, etc.?

Answer: *Canon 5 C (4)(c)* of the Code of Judicial Conduct controls the answer to the question. If the gift is from an entity whose interest has not come and is not likely to come before the judge, and if it is clearly understood by all parties that such is not an effort to curry favor, such gift may be accepted by the judge.

If any gift has a potential value in the aggregate of more than one hundred dollars, it must be reported as required under the provisions of *Canon 6 C.*

Opinion No. 45

Question: Does a judge subject to the Code of Judicial Conduct have an obligation to initiate disciplinary measures against a lawyer when he becomes aware that such lawyer has been guilty of unprofessional conduct or has presented false information to the court in order to obtain the entry of a judgment?

Answer: Under Disciplinary Rules promulgated by the Supreme Court of Texas, "A lawyer shall not engage in conduct that is prejudicial to the administration of justice." *DR 1-102(5).*

Canon 3 B (3) of the Code of Judicial Conduct reads: "A judge should take or initiate appropriate disciplinary measures against a lawyer for unprofessional conduct of which the judge may become aware."

The Committee is of the opinion that the knowing presentation of false information to a court in order to obtain the entry of a judgment is unprofessional conduct as defined in *DR 1-102(5)* and that when the judge becomes aware thereof, it becomes his duty to "initiate appropriate disciplinary measures" against such lawyer.

Opinion No. 46

Question: May a retired judge who is eligible for recall to judicial service practice law by appearing before an administrative tribunal which restricts appearances on behalf of others to licensed attorneys?

Answer: Yes. While *Canon 5 F* forbids a judge in active service practicing law, such provision is inapplicable to a retired judge under *Compliance Section D.* We express no opinion as to the applicability of *TEX. REV. CIV. STAT. ANN. art. 6228b, § 7 (Supp. 1978-79)* to such practice.

Opinion No. 47

Question: May a judge subject to the Code of Judicial Conduct appear as counsel in the probate of the will of a member of his family as that term is used in *Canon 5 D?*

Answer: No. The practice of law is forbidden by *Canon 5 F.* While a judge is permitted to engage in certain fiduciary activities under *Canon 5 D,* appearance as counsel is impermissible under the Code. Incidental counseling with immediate members of the family is not considered by the Committee to constitute the practice of law.

Opinion No. 48

Question: Does a candidate for judicial office violate the Code of Judicial Conduct by accepting, through his campaign treasurer, contributions from lawyers who might be expected to appear before him if the candidate is elected to a judicial office?

Answer: Although there is no mention of this subject in the Code of Judicial Conduct, the Committee, after careful consideration of all of the factors involved in the question, is of the unanimous opinion that such contributions proffered by lawyers without hope of reward and accepted in the same spirit, do not violate either the letter or the spirit of the statutes, the Code of Professional Responsibility, or the Code of Judicial Conduct.

BOARD OF LAW EXAMINERS

The Board of Law Examiners, pursuant to articles 304, 304a, 305, 305a, 305c, 306a, 307A, 307A-1, 307A-2, 307B, 308, 309, 310 and 3923, Vernon's Texas Civil Statutes, acting under the supervision of the Supreme Court of Texas and in accordance with the Rules promulgated by the Supreme Court of Texas governing admission to the Bar of Texas, has five primary functions:

FIRST, to approve all applicants for license as to good moral character and fitness;

SECOND, to approve the requisite pre-law study and law study of all applicants for license;

THIRD, to prepare and administer bar examinations designed to establish a minimum degree of competency for all persons recommended to the Supreme Court of Texas as being eligible to be licensed to practice law in the State of Texas, and, in certain circumstances, to provide applicants who fail the examination a written or oral analysis of their performance;

FOURTH, to hear appeals by declarants from the refusal of any of the 17 District Committees on Admissions to grant the declarant a certificate of good moral character and fitness, said hearings being conducted with due process, with a transcript of the testimony being made by a court reporter, and;

FIFTH, to interview personally and to approve immigrant attorneys from sister states, the District of Columbia and territories of the United States.

The staff of the Board of Law Examiners consists of an Executive Director and ten staff members. The staff offices are located in Suite 505 of the Texas Law Center and the staff is organized into the Character and Fitness Division and the Eligibility and Examination Division. These divisions are the filing depositories for all Declarations of Intention to Study Law, Applications to take the Bar Examination, and Applications for Admission to the Bar filed by immigrant attorneys.

The Character and Fitness Division administratively processess the Declarations of Intention to Study Law and performs an initial background investigation of each declarant. This division also assists the District Committees on Admissions in performing their investigations and in making their recommendations to the Board. In 1979, this division processed 2,440 Declarations of Intention to Study Law.

The Eligibility and Examination Division answers all inquiries from potential applicants for admission to the Bar, administratively processess applications to take the bar examination and applications to be admitted as an immigrant attorney. Finally, this office records the grades on the bar examinations and releases such grades to the applicants. In 1979, this division processed 2,753 Applications to take the bar examination and 153 Applications for Admission as an immigrant attorney.

At all swearing-in ceremonies of successful candidates by the Supreme Court of Texas, a member of the Board is present for the purpose of certifying the class to the Supreme Court.

The Board holds six regularly scheduled meetings and special called meetings as follows:

The Board holds two meetings in connection with each of the biannual bar examination dates (Winter and Summer). Approximately six weeks prior to the examination date the Board meets to review proposed essay questions for the coming examination. Each Board Member presents several questions in his or her area of expertise and the entire Board considers the content of the question, its timeliness, and the authorities supporting the answer. Immediately prior to each examination the Board meets and conducts hearings on moral character and fitness and passes on other matters of eligibility, questions relating to Texas residency, citizenship, pre-law study, and law study.

Additionally, the Board meets in April to confer with the deans of the eight Texas law schools and the justices of the Supreme Court, as well as in November to meet with the justices of the Supreme Court. In conjunction with the April and November meetings, the Board interviews immigrant attorney applicants from sister states, the District of Columbia, and territories of the United States.

Furthermore, the Board may conduct additional meetings to consider special matters relating to the conduct of the Board's business.

The bar examination is given on the last Wednesday and Thursday of the months of February and July in six Texas cities: Austin, Dallas, Houston (two separate sites), Lubbock, San Antonio and Waco.

The Bar Examination consists of two types of tests covering a total of 14 subjects, including Legal Ethics. The first test is a one day, six-hour multistate (multiple choice) examination covering six subjects. It consists of 200 questions prepared by nationwide committees and coordinated by the National Conference of Bar Examiners with the assistance of the Educational Testing Service of Princeton, New Jersey. The second portion of the examination is a one day, seven-hour essay type examination covering eight subjects. The essay questions are divided into four sections and are prepared by eight of the Board members working in teams of two.

The predominate aim and purpose of the Board is to ensure to the Supreme Court of Texas that the persons recommended to be licensed by the Court to practice law in the State of Texas have been found to be of good moral character and fitness (fitness being defined as requisite mental and emotional stability); that they possess the necessary educational attainments; and that they have passed a bar examination designed to establish a minimum degree of competency to the end that the consumer public is protected against a person who might be failing in any of these requirements.

STATE BAR OF TEXAS

The State Bar of Texas was created in 1939 pursuant to article 320 a-1 R.C.S. as "an Administrative Agency of the Supreme Court of Texas . . ." The State Bar operates under the *Rules Governing the State Bar of Texas* promulgated by the Supreme Court of Texas and serves the 30,000 plus lawyers of Texas.

The various departments of the Bar provide a variety of services including one of the most extensive continuing legal education programs in the United States. The Professional Development Department, other Committees and Sections assist in the education program. This program, in addition to continuing the education of all lawyers, attempts to educate the younger practitioners through Skills Courses to understand the more fundamental aspects of the "practice of law." Seminars and institutes are held over the entire State to help lawyers in specific areas of the law and to keep them abreast of new developments. Through the use of videotape equipment and facilities of the Law Center these educational programs are taken to the lawyers and public in general all over the State. The Bar also prepares and distributes manuals and books dealing with various fields of practice.

In addition, the Professional Development Department produces cassette audio tapes concerning bankruptcy, the Tax Reform Act of 1976, commercial practice, managing the lawyer's life, school law, personal injury, products liability, natural resources law, real estate investments, salvation for the solo practitioner, criminal law, municipal judges conference, and commercial law.

A digest is prepared at the Law Center and distributed to all lawyers weekly. This publication gives the lawyers and judges a summary of significant decisions of the Texas Supreme Court, the Texas Court of Criminal Appeals, the Texas Courts of Civil Appeals, Federal Court decisions, Attorney General opinions, and the Comptroller's Administrative decisions.

The *Texas Bar Journal* published by the State Bar staff is distributed monthly, except August, to the attorneys of the State and to students attending all of the eight law schools in Texas. Informative articles dealing with specific areas of law, results of disciplinary actions throughout the State, proceedings of the Board of Directors, and other topics of interest to lawyers and judges are published.

The legislative program of the State Bar coordinates the legislative efforts of the Bar's committees and sections. This effort helps ensure an effective voice in the Capitol for the legislative needs of Texas' lawyers and citizens.

The General Counsel's office of the State Bar bears the responsibility of enforcing the Rules of Discipline and suppressing the unauthorized practice of law. It serves as a clearinghouse for the Ethics Committee by providing ethics opinions and making available formal ethics opinions, thereby aiding lawyers in avoiding unintentional grievances.

One of the prime programs of the State Bar is the Lawyer Referral Service which receives about 1,200 calls per month. These calls are originated from people who are in the dilemma of not knowing an attorney and needing to find one. The service aims at making the public aware of legal services as well as aiding them in obtaining these services.

To enhance and aid citizens needing legal services and to reach the 70% of the population which falls in the "middle income" range, the Bar-sponsored program of Prepaid Legal Services provides coverage for policyholders representing 34 different groups. This puts legal services in the "affordable range" by the majority of citizens.

Attorneys also can obtain coverage through the Insurance Trust which sponsors an insurance program for the lawyers of Texas. Among the types of coverage are group life; individual life and disability insurance; major medical; accidental death and dismemberment; daily hospitalization and indemnity; excess major medical; professional liability; and Keogh retirement plans. The Texas Lawyers Insurance Exchange program recently became one of the first three in the nation to offer attorneys a liability insurance program through the sale of surplus debentures.

The Membership Department serves as a clearinghouse for all address changes for members, processing some 10,000 changes annually. From this centralized up-to-date file, local bars, Sections, Committees, and other bar groups can request mailing lists of lawyers broken down geographically and by special interest area. In addition, it handles the process of record keeping for dues for the 34,000 attorneys in the State.

Some of the State Bar's most progressive achievements have been initiated through the Committees structure. There are 48 active committees and 25 sections. The staff assists the committees and sections by maintaining records, scheduling meetings, providing meeting rooms, and coordinating committee activities. Among the committees are Citizen's Legal Education; Effective Participation of Women in the Bar; Lawyer Advertising; and Public Affairs. The direction of both committees and sections is towards upgrading the legal profession to its full potential in responding to the needs of Texas citizens. In addition it involves many attorneys in the process, making them aware of the concerns.

Tying in with many programs of the Bar is the Texas Bar Foundation. Established in 1965, the Texas Bar Foundation finances programs in continuing legal education and research on legal matters of mutual significance to the Bar and the public.

Grants awarded by the Foundation funded such projects as revision of the Penal Code, State Bar Practice Skills Courses, and the State Bar's continuing legal education videotape project.

The age of computerization has ushered in the Tex-Lex office. This office edits for computerization 200 opinions per month for the Supreme Court, the Court of Criminal Appeals, and the 14 courts of civil appeals. There are at present 29,300 cases in the Texas bank of the computer system. Through this program the State Bar makes computerized legal research available to its members and does so at no cost to the lawyers.

Perhaps one of the most active groups in the State Bar is the Texas Young Lawyers Association which represents about half of the attorneys in the State. All Texas lawyers under the age of 35 are members of this organization which has 42 active committees. The President and President-Elect are voting members of the State Bar Board of Directors and the President is a member of the Executive Committee.

Activities include the sponsoring of booklets and brochures. Texas Young Lawyers Association also incorporated the Texas Lawyers Credit Union, conducts a National Mock Trail Competition, and is conducting a pilot program whereby young lawyers provide legal support for nonprofit artistic projects. This organization has won the ABA Award of Achievement nine out of the last ten years.

In assisting consumers in locating attorneys in a specific field of law, the pilot program of Legal Specialization was formed. This provides a mechanism for certifying special competence in selected fields of law. The program began in 1975, with three fields: Criminal Law, Family Law, and Labor Law. The fields of Estate Planning and Probate, Civil Trial Law, Personal Injury Trial Law and Immigration and Nationality Law are recent additions to this program.

The Department of Communications is responsible for information dissemination, education, and understanding between the consumer/public, the legal profession, and the media.

This is accomplished through education-oriented functions such as the "Ask A Lawyer" radio series; *You and the Law* newspaper column; Speakers Bureau; "The Living Law" multi-media slide show; the Careers videotape on the legal profession; the film loan program featuring the films "Our Uncommon Law" and "Liberty and Justice for All." In addition, the Department assists various committees in setting up and carrying through on details for further public education such as Law Day, the First Amendment Panel, and pamphlets. News releases are also an integral function of the Communications Department.

Each year the State Bar of Texas holds its convention at one of five Texas cities. Long-range planning is needed to ensure a smooth running four day event. Planning and support is provided by the staff of the State Bar for the 165 separate convention functions which include Section and Committee meetings, pre-convention institutes, and the various details involved. In addition the Services Department coordinates Board of Directors meetings, new lawyer swearing in ceremonies, judicial swearing in ceremonies, and other special events.

Texas has the largest inmate population of any state in the nation. Inmates and parolees are served by the State Bar of Texas through a three-part program by the Texas Center for Correctional Services. The Volunteers in Parole Project recruits and trains attorney-volunteers to serve as one-to-one counselors with parolees in a general non-legal capacity to assist the parolees in reintegrating into society. The Counsel for Indigent Parolees Project provides legal counsel for both adult and juvenile indigent parolees at on-site and final parole revocation hearings. Finally, the Inmate Legal Services Project provides representation to inmates who complain of violations of their civil rights by the Texas Department of Corrections. Where necessary the project appoints lawyers to represent inmates in federal actions.

Comprehensively, the State Bar of Texas assists both attorneys and the public in access to the judicial system of the government and in assessing and meeting the legal needs of Texas citizens.

APPELLATE COURTS

S.J.R. 36 proposes amendments to Article 5 of the Constitution to change the name of the Courts of Civil Appeals to "Courts of Appeals," and drop "civil" from the definition of cases they can hear, thereby allowing the legislature to grant the intermediate courts criminal jurisdiction; add the requirement that a person must be licensed to practice law in this state to serve on the Supreme Court; provide that the Supreme Court shall "exercise the judicial power of the state except as otherwise provided by this constitution" and that its "determinations shall be final." The appellate jurisdiction of the Supreme Court rather than being defined in terms of cases from the courts of civil appeals, would be "all cases except. . .criminal law matters and as otherwise provided in this Constitution or by law." The amendments would also restate the jurisdiction of

the Court of Criminal Appeals, with direct appeal of death penalty cases to the Court. The Court would also be allowed to review decisions of courts of appeals in criminal appeals on its own motion and at its discretion. EFF 9-1-81, if adopted in election 11-4-80.

RECENT COURT DECISIONS
Selected Decisions Affecting Court Operations During 1979

COURTS

Under article 5, subsections 1 and 3, Texas Constitution, Supreme Court of Texas has power, and thus duty, to correct decision of a Court of Civil Appeals that conflicts with "supreme law of land" as established by Congress and Supreme Court of United States. Texas Constitution expressly gives Texas Supreme Court jurisdiction to review questions of law arising in cases decided by Court of Civil Appeals, and jurisdictional power to decide case if Court of Civil Appeals opinion conflicts with United States Supreme Court opinion is implied. No other department of government of Texas has jurisdiction or mechanism to correct such a Court of Civil Appeals decision except Texas Supreme Court. Eichelberger v. Eichelberger, 557 S.W.2d 587 (Tex. 1979)

Maintenance of two separate misdemeanor court systems in Harris County (Justice of the Peace courts having trial de novo and municipal courts without trial de novo) is constitutional. State can create a system of inferior courts that treats similarly situated offenders differently but with substantial equality. Both systems assure ultimate right to a recorded trial before a law-trained judge. Both systems afford equal protection. Ex Parte Spring, 586 S.W.2d 482 (Tex. Crim. App.--1979)

By amending section 21, Probate Code, in 1973, to provide for trial by jury of "all contested probate and mental illness proceedings" in probate court, legislature intended to include all issues of fact previously tried "to the court" but appealable and triable de novo with a jury in district court. Griffin v. Barr, 587 S.W.2d 477 (Tex. Civ. App.--Dallas 1979)

COURT REPORTERS

A trial judge in any default or contempt proceeding should require presence of court reporter at all times and should make a complete record of all of proceedings. Walzem, Inc. v. Romano, 592 S.W.2d 20 (Tex. Civ. App.--Beaumont 1979)

Article 1823, V.T.C.S., empowers Court of Civil Appeals to issue a writ of mandamus directing court reporter who reported trial (but who has since resigned as official court reporter) to complete and deliver statements of facts in a cause that he reported while an official reporter, especially since respondent is now acting as a deputy court reporter or a de facto deputy court reporter. Court of Civil Appeals can issue writ of mandamus to enforce its jurisdiction. Without a statement of facts, Court of Civil Appeals is unable to exercise its appellate jurisdiction to determine questions of sufficiency of evidence.

Other than daily reporting of a court proceeding in progress, reporter has no professional duty that take precedence over prompt completion of statement of facts. In seeking extension of time to prepare statement of facts, court reporter should account satisfactorily for his time after court hours or during weekends. O'Neal v. Stovall, 580 S.W.2d 130 (Tex. Civ. App.--Austin 1979)

Court reporter has mandatory duty to prepare statement of facts upon request and has no right to require prepayment before preparing statement of facts. When defendant filed $500 cost bond, perfecting appeal under Rule 354, and requested statement of facts, court reporter had a mandatory duty to prepare it. Mandamus will issue to compel performance of this duty. That bond is inadequate to cover actual cost of statement of facts does not effect status of appeal. Whether appeal has been perfected depends upon rules rather than upon such extraneous facts as appellants' knowledge of inadequacy of bond.

Court reporter has standing in Court of Civil Appeals to move that appeal bond be increased to protect court reporter's fees. Volpe v. Stephens, 589 S.W.2d 809 (Tex. Civ. App.--Dallas 1979)

Court reporter has no right to require payment as a condition precedent to official duty to prepare statement of facts. Duty to pay a reasonable fee does not arise until statement of facts has been prepared. Refusal of court reporter to prepare statement of facts when appellant did not have funds is a reasonable explanation for an extension of time to file record on appeal under Rule 21c. Alexander v. Bowens, _____S.W.2d_____ (Tex. Civ. App.--Dallas 1979)

Court reporter has left Texas and no statement of facts has been filed in this appeal by indigent defendant. Held: Appeal abated. If trial court has regained jurisdiction over court reporter, he can order him to transcribe notes and can use contempt power if court reporter fails to comply. If transcript of notes is not filed within 30 days, defendant shall be given a new trial. Texas and federal constitutions require that indigent defendant be furnished with an adequate record on appeal. Ex Parte Contreras, 586 S.W.2d 550 (Tex. Crim. App.--1979)

Defendant juvenile requested presence of court reporter to record all proceedings to be held in case to adjudicate defendant a delinquent. Trial court did not furnish court reporter but did tape record proceedings. Parts of tapes are inaudible and neither typist who transcribed them nor Court of Civil Appeals can understand parts of testimony of several witnesses. Held: Reversed and remanded. Defendant is entitled to a complete statement of facts when requested. Electronic recording devices will and should play an important role in courtroom proceedings in future. Nothing should be more accurate where proper recordings are made. In small rural counties particularly, testimony in cases such as these could be preserved for transcription and appeal by proper use of good tape recording equipment and with adequate supervision. By agreement of parties, transcription of that portion of record needed on appeal could be typed and authenticated at a tremendous savings overall of manpower, time, and money. In like cases parties should designate for transcription only such specified portions of recordings that are pertinent to appeal. In Re I. A. 587, S.W.2d 538 (Tex. Civ. App.--Corpus Christi 1979)

JUDGES

When motion to recuse district judge is filed, that district judge has mandatory duty under article 200a, section 6, V.T.C.S., to request presiding judge of administrative district to assign another judge to hear the motion to recuse. McLeod v. Harris, 582 S.W.2d 772 (Tex. 1979)

Trial judge, after proceedings to terminate parental rights had started, made statements to newspaper reporters and requested that the District Attorney investigate the case for criminal prosecution. Trial court refused to grant motion to disqualify himself. Held: Code of Judicial Conduct condemns such comments to press during actual trial. Unethical conduct, however, is not necessarily a legal ground for reversal, and point of error is overruled. (No complaint is made of failure to follow article 200a, section 6, V.T.C.S., relating to independent determination of motion to recuse.) Shapley v. Texas Department of Human Resources, 581 S.W.2d 250 (Tex. Civ. App. --El Paso 1979)

JUVENILES

Section 51.09, Family Code (concerning juvenile confessions), does not violate equal protection guarantees of Texas or United States Constitution. Legislature's establishment of different requirements as to admissibility of confessions by juveniles, hinged on whether oral confession leads to discovery of inculpatory evidence, is a reasonable and rational classification.

Section 51.09(b)(2), Family Code, providing for oral confessions by juveniles, does not dispense with Miranda warning and is constitutional.

Although age of defendant is one factor to be considered in determining whether a defendant knowingly and intelligently waived his right to counsel and to remain silent, fact that defendant was a juvenile at time of his arrest is not controlling. Each case must be considered on its own facts. Meza v. State, 577 S.W.2d 705 (Tex. Crim. App.--1979)

Fact that section 54.02, Family Code, authorizes trial court to consider hearsay evidence (here alleged to be hearsay upon hearsay) at hearing on waiver of juvenile jurisdiction and discretionary transfer does not deny juvenile due process. This proceeding is not a determination of guilt. GRL v. State, _____S.W.2d_____ (Tex. Civ. App.--Dallas 1979)

Purpose of hearing under section 54.02, Family Code, is not to determine specific criminal culpability but is to determine whether best interests of child and society would be served by maintaining child under juvenile court system or by transferring him for trial as an adult.

Section 54.02(d), Family Code (concerning complete diagnostic study of juvenile, etc), is met by receiving complete reports from such specialists as psychologists, psychiatrists, and probation officers. In re JRC, 593 S.W.2d 124 (Tex. Civ. App.--Corpus Christi 1979)

Record does not show that juvenile defendant had been served with a summons to transfer hearing. Held: Reversed. Such service is a

jurisdiction requirement that cannot be waived. Failure to make such service deprived juvenile court of jurisdiction to transfer defendant, and transfer was a nullity. Without a valid transfer, district court had no authority to conduct an exam mining trial. A three step procedure is to be followed before a juvenile is tried in district court as an adult: transfer hearing, examining trial, and grand jury's deliberation; then trial may follow. If one of these steps is omitted or rendered void by a jurisdiction defect, there can be no jurisdiction to proceed with next step. If (as here) state recognizes mistake and starts over, it is necessary for all three steps to be followed before trial. Watson v. State, 587 S.W.2d 161 (Tex. Crim. App.--1979)

On March 11, 1968, defendant (a juvenile) was certified to be tried as an adult and cause was transferred to criminal district court for trial. Record does not show that defendant was granted an examining trial before indictment was returned on May 21, 1968 or that examining trial was waived. On May 14, 1969 defendant was convicted of murder. Held: Writ of habeas corpus is granted and defendant is released. Absent a waiver made pursuant to section 51.09(a), Family Code, failure to afford a juvenile who has been certified as an adult an examining trial before he is indicted renders indictment void. Ex Parte Buchanan, 588 S.W.2d 596 (Tex. Crim. App.--1979)

Indictments returned against a defendant less than 17 years of age, after certification for trial as an adult, were void if an examining trial was not accorded defendant. Defendant's guilty pleas to these void indictments did not constitute a waiver of examining trial. Ex Parte Rodriguez, 578 S.W.2d 750 (Tex. Crim. App.--1979)

PROCEDURE

There is no official duty requiring that trial judge apprise litigants of entry of judgment. Neither does counsel have an official duty to apprise opposing counsel of entry of judgment. Traditional rule has been that, once a trial court properly gains jurisdiction over a party, that party is expected to keep himself informed of proceedings and judgment rendered in case. Rule 306d was enacted to require clerk to give notice to all parties of signing of judgments. Thomason v. Freberg, 588 S.W.2d 821 (Tex. Civ. App.--Corpus Christi 1979)

Before a defendant can represent self, record must affirmatively show a voluntary and knowing waiver of right of counsel, retained or appointed, and must show that defendant was made aware of dangers and disadvantages of self-representation so as to establish that defendant knew what he was doing and that choice was made with "eyes open." Goodman v. State, 591 S.W.2d 498 (Tex. Crim. App.--1979)

When it is made known to trial court that a defendant does not speak and understand English language, an interpreter must be furnished to translate trial proceedings to defendant, including particularly testimony of witnesses presented by state. Absent opportunity to be aware of proceedings and testimony of witnesses against her, defendant here was denied constitutional right of confrontation and, that right not having been knowingly and intelligently waived, her trial and conviction are null and void. Baltierra v. State, 586 S.W.2d 553 (Tex. Crim. App.--1979)

Pursuant to instructions of United States Supreme Court, Texas rendered on when jeopardy attaches is modified to conform to federal rule that jeopardy attaches when jury is empaneled and sworn (as opposed to abrogated rule that jeopardy attached when defendant pled to indictment). McElwee v. State, 589 S.W.2d 455 (Tex. Crim. App.--1979)

Standard of proof required by 14th amendment in civil proceedings brought under state law to commit person involuntarily for indefinite time to state mental hospital is "clear and convincing" evidence. Individual's interest in outcome is so great that due process requires state to justify confinement by proof more substantial than mere "preponderance of evidence." "Reasonable doubt" standard is inappropriate because, given uncertainties of psychiatric diagnosis, it may impose burden state cannot meet and erect unreasonable barrier to needed medical treatment. Term "unequivocal" (used in trial court charge) is not constitutionally required, although states may use it or any higher standard than "clear and convincing" if they choose. Determination of precise burden equal to or greater than "clear and convincing" standard required by due process is matter of state law, and case is remanded to Texas Supreme Court for further proceedings. Addington v. State, 557 S.W.2d 211 (Tex.--1979)

A defendant may not accept deferred adjudication and then, as a matter of right, wait until state seeks revocation of granted probation to

withdraw guilty plea or nolo contendere plea. Allowing a defendant to withdraw guilty plea is within sound discretion of court. Sawyer v. State, ____S.W.2d____ (Tex. Crim. App.--1979)

Trial court's decision to proceed to adjudicate guilt, following probation and deferral of proceedings without adjudicating guilt, upon motion of state to revoke probation is not an appealable decision. Defendant can appeal after an adjudication of guilt. Williams v. State, 592 S.W.2d 931 (Tex. Crim. App.--1979)

One who has previously been granted probation is eligible for "shock probation" under article 42.12, section 3(e), Code of Civil Procedure.

Trial court must act on motion for shock probation within 120 days. Time limit applies to ruling of court and not filing of motion. Houlihan v. State, 579 S.W.2d 213 (Tex. Crim. App.--1979)

Justice of the Peace determined that defendant was an habitual violator of traffic law. Justice court probated suspension of defendant's license on condition that defendant not be convicted of any moving traffic law violation received during his probationary period, etc. During period of probation plaintiff was served with a traffic citation for speeding, for which violation he was convicted and found guilty at trial held after expiration of probationary period. Trial court found that probation had been violated and ordered 6-month suspension. Held: Affirmed. Pertinent jurisdictional facts occurred when defendant was served with traffic citation upon which he was subsequently convicted and fined. Fact that trial took place after expiration of period of probation is not controlling. Offense of speeding had occurred during period of probation, and defendant was served with citation at that time. Robinson v. Texas Department of Public Safety, 586 S.W.2d 604 (Tex. Civ. App.--Austin 1979)

SPEEDY TRIAL

Threshold standard for dismissal under art. 32A.02, section 1, Code of Criminal Procedure, "state is not ready for trial," refers to preparedness of prosecution for trial and does not encompass trial court and its docket. Once defendant files his motion to dismiss for failure to adhere to provisions of Speedy Trial Act, state must declare its readiness for trial then and at times required by Act. This declaration is a prima facie showing of conformity to Act but can be rebutted by evidence submitted by defendant demonstrating that state was not ready for trial during Act's time limits. This evidence can be from any source, including cross-exam of those responsible for preparing state's case, and may consist of (among other things) a demonstration that state did not have a key witness or piece of evidence available by last day of applicable time limit, so that state was not ready for trial within that time limit. Barfield v. State, 586 S.W.2d 538 (Tex. Crim. App.--1979)

A motion to dismiss under Speedy Trial Act filed prior to entering plea of guilty avoids a waiver of rights by defendant.

At a hearing on defendant's motion to dismiss under Speedy Trial Act, state must declare that it was ready for trial at time and had been ready for trial within 120-day time limit, to establish its prima facie case of conformity to Act. Declaration that state is ready to try case on day motion to dismiss is heard is not enough. Without showing that it was ready for trial within 120 days, state does not make out prima facie case. Luna v. State, 588 S.W.2d_____ (Tex. Crim. App.--1979)

Speedy Trial Act does not apply to motion to revoke probation. A probationer, of course, has a constitutional right to a speedy hearing if that right is invoked. Champion v. State, 590 S.W.2d 495 (Tex. Crim. App.--1979)

District court has jurisdiction to issue writ of mandamus to order justice of the peace to comply with Speedy Trial Act and set aside a criminal complaint filed in justice of the peace court and not processed within time limit of Act. District court was not exercising criminal jurisdiction. A mandamus proceeding is civil, and mandamus will issue to compel performance of a duty made mandatory by law or to compel doing of an act that is simply ministerial. Plaintiff does not have right of appeal to question justice of the peace's refusal since appeals from justice of the peace court are de novo. Grimm v. Garner, 589 S.W.2d 955 (Tex. 1979)

Because appeal is available to defendant (in event of his conviction) to test any possible denial to his right to a speedy trial, on either a statutory or constitutional basis, mandamus is not available to him to compel discretionary action that is vested in trial court pursuant to provisions of Speedy Trial Act (ch 32A, Code of Criminal Procedure). Williams v. Placke, 587 S.W.2d 166 (Tex. Crim. App.--1979)

RECENT ATTORNEY GENERAL'S OPINIONS

Selected Opinions Affecting Court Operations During 1979

The authorization for the rendition of advisory opinions by the Attorney General is found in Section 22 of Article IV of the Texas Constitution and has been more specifically defined in article 4399, V.T.C.S. This is a quasi-judicial function, Glimpse v. Bexar County, 160 S.W.2d 996 (Tec. Civ. App. San Antonio, 1942, writ ref'd), and while the opinions do not have the force of law, they are entitled to be given considerable weight in determining proper construction of statutes. City of Houston v. Southern Pac. Transp. Co., 504 S.W.2d 554 (Tex. Civ. App. Houston [14th] 1973, writ ref'd n.r.e.).

JUDGES ON ASSIGNMENT

MW-13 April 23, 1979. A retired judge who is sitting on assignment is entitled to be compensated in an amount equal to the difference between the salary of the regular judge of the court to which he is assigned and the sum of all the retirement benefits actually paid to the assigned judge. Compensation may be calculated on the basis of 1/365 of the relevant annual amount for each day included within the assignment, including Saturdays and Sundays.

SPEEDY TRIAL ACT

MW-41 August 9, 1979. The Speedy Trial Act, Art. 32A.02, CCP requires that the state be ready to try a traffic offense punishable by fine only within 30 days of the time the defendant is stopped and issued a ticket.

JUSTICES OF THE PEACE

MW-98 December 14, 1979. Justices of the peace may exchange benches and thereby sit in another court outside of their precinct whenever expedient. However, use of such procedure may be subject to a charge of abuse of discretion or neglect of duty.

MW-84 November 19, 1979. When a justice of the peace, sitting as a magistrate, issues a search warrant returnable to him, the complaint alleging offense discovered through the search need not be filed with him.

MW-37 August 2, 1979. In order to discharge his liability for the amount, a justice of the peace must exercise due diligence in collection on a worthless check accepted as payment of a fine. Issuance of a capias pro fine under Articles 45.51 and 45.52, CCP is one procedure which ordinarily will constitute due diligence.

JUVENILE PROCEEDINGS

H-1301 January 3, 1979. A magistrate who conducts a detention hearing in accordance with Sec. 51.04, Family Code, need not be a licensed attorney. Sec. 51.04(d) of the Family Code requires the designation of an alternate court when the judge of the juvenile court designated pursuant to subsection (b) or (c) is not an attorney.

MW-15 May 3, 1979. Under Art. 51.42b, V.T.C.S., the budget for compensation of juvenile probation officers submitted by the juvenile board is subject to the approval of the commissioners court.

REVENUES AND FEES

MW-40 August 9, 1979. Sec. 2B of Art. 6228b, V.T.C.S., which authorized the crediting of legislative service for purposes of calculating judicial retirement benefits, remains unconstitutional and has not been revived by the ratification of Article XVI, Sec. 67, of the Texas Constitution.

MW-8 March 23, 1979. All fees charged by the justice of the peace for Dallas County Precinct 6 for certified copies of records of births and deaths occurring within his jurisdiction as local register should be paid into the county treasury of Dallas County.

MW-9 Under Art. 1702h, the County Law Library Fund may be expended only for library purposes and for the needs of judges and litigants. The fund may not be used to buy books owned by the county.

ACKNOWLEDGMENT

An informed citizenry is indispensable to the necessary support of the judicial branch and its continued improvement to meet its responsibilities in present-day society.

Only by working together at all levels of the judiciary can we provide a better forum for the administration of justice for all of our citizens. Only by the cooperation of the judges and clerks can we hope to inform our citizens of the work performed by the various courts.

The Council expresses its appreciation to the many judges and clerks of the courts who have so promptly submitted the monthly reports and other requested information on the operations of the various courts which has enabled it to prepare this report on the judicial business of the State.

The Texas Judicial Council acknowledges the assistance of the Criminal Justice Division, Office of the Governor, for financial support toward publication of this report. The fact that the Criminal Justice Division furnished financial support to the activity described in this publication does not necessarily indicate the concurrence of the Criminal Justice Division in the statements or conclusions contained herein.

STATISTICS AND ANALYSIS OF COURT ACTIVITY

CAUTIONARY STATEMENT

Perhaps more caution should be used in drawing general conclusions from court statistics than from statistics on other subjects. The included data do not attempt to portray everything courts or judges do, or how much time is spent on court-related activities not represented by these court statistics.

Regarding appellate courts, temporary emergencies such as illness of a judge or unusually burdensome cases may distort the statistical picture. In addition, there is no reliable way to ascertain the time spent by appellate or trial judges in study or research in the composing of their opinions and decisions.

At least two factors are not represented in the district court statistics presented and should be borne in mind when evaluating judicial output:

1. One very complicated case may consume an inordinate amount of time compared to less complicated or lengthy cases.
2. The judges of district courts in most non-metropolitan areas spend more time traveling between different counties comprising a single district than do their metropolitan counterparts, and a metropolitan complex of many judges of identical jurisdiction permits judicial efficiencies not available in non-metropolitan areas.

Particularly the county court judges, justices of the peace, and municipal court judges spend a large amount of time counseling with the people in their communities, and as a result of this counseling, many cases are not filed. In addition, many of these judges have non-judicial responsibilities as a result of their position in the community which are not reflected in these statistics.

SUPREME COURT
1979

The Supreme Court of Texas is the highest State court for civil appeals and promulgates the rules of civil procedure for the courts of the State. It is composed of the Chief Justice and eight associates justices.

The number of applications for writs of error filed in the Supreme Court during 1979 declined slightly from the 1978 record number. Eight hundred twenty-two applications were filed, compared to 869 in 1978--a decrease of 5 percent, but 21 percent higher than the ten-year average of 678. In 1979, 120 new "regular causes" - primarily cases in which the Court hears oral argument and delivers an opinion - reached the docket, compared to 110 in 1978 and the ten-year average of 103. New civil mandamus matters increased from 123 in 1978 to 137 in 1979 (11 percent increase) but criminal mandamus matters decreased from 34 to seven in 1979.

In 1979, the Supreme Court disposed of 64 percent of the regular causes docketed during 1979 or carried over from 1978, compared to 79 percent in 1978. Eighty-one percent of the applications for writs of error were disposed of during the year, compared to 86 percent during 1978.

The Court delivered 93 deciding opinions in 1979 compared to 114 in 1978 - a decrease of 18 percent. A total of 135 opinion was written (including Rule 483 per curiam opinions), an average of 15 per justice, compared to 20 in 1978.

The Supreme Court disposed of 776 applications for writs of error from decisions of the courts of civil appeals, compared to 899 in 1978, and an average, of 86 per justice. Seventeen percent of the 776 applications were granted. Of the granted writs, the Court of Civil Appeals was reversed in 78 percent of the cases for an effective reversal rate of the courts of civil appeals of 13 percent.

Fifty-five regular causes were pending at the end of 1979 - 23 more than at the end of 1978, and 20 cases more than the ten-year average. The number of applications for writs of error remaining on the docket at the end of the 1979 was 187 - 33 percent more than the 141 at the end of 1978 and 50 percent more than the ten-year average of 125.

* "Regular Causes" are reported in a separate category because they are the cases which pass through most, if not all, of the steps of the regular appellate decision-making process. "Regular Causes" are cases in which oral argument of counsel in open court is received (unless waived) and in which the court's decision is usually reported in a written opinion. Most are reviewed in conference by the Supreme Court, before oral argument and decision, upon application for writ of error, with three or more of the justices voting that the decision of the Court of Civil Appeals was erroneous and that the writ therefore should be granted. A similar procedure is followed regarding petitions for original mandamus and habeas corpus, which become "Regular Causes" only after review and vote in conference. Cases other than "Regular Causes" include such actions as the court's rejection in conference of an application for writ of error or application to file a petition for original mandamus or habeas corpus. This category is obviously larger than that of "Regular Causes."

COURT OF CRIMINAL APPEALS
1979 Statistics

The Court of Criminal Appeals is the highest State court for criminal appeals and is composed of a Presiding Judge and eight judges. In addition, pursuant to Article 1811e, V.T.C.S., two special commissioners served the Court at various times during the year.

Last year's drop in the recent trend of greatly increased filings was reversed somewhat in 1979. The 3,166 new cases docketed in the Court were two percent more than the 3,104 cases docketed during 1978, and were still 52 percent higher than the ten-year average of 2,081.

A total of 1,737 applications for writs of habeas corpus and mandamus were filed during 1979. One thousand seven hundred eighty matters were disposed of in 1979, an increase of 15 percent over the 1978 total of 1,542.

Article 40.09, sec. 16 C.C.P. gives the Court exclusive power to grant extentions of time for the filing of transcriptions of court reporters' notes, bills of exceptions and briefs in criminal cases. The Court heard and disposed of 3,425 such applications, compared to 2,434 during 1978.

In 1979, the Court of Criminal Appeals disposed of 44 percent of the cases docketed during the year or carried over from 1978, compared to 51 percent the previous year. Seventy-seven percent were disposed of by per curiam opinions, compared to 84 percent in 1978.

Two thousand seven hundred sixty-seven opinions (including dissents and concurrences) were written in 1979, four percent fewer than the 1978 total of 2,878. Thirty percent of these were authored opinions.

The Court of Criminal Appeals affirmed the trial court's decision in 75 percent of the cases reviewed and dismissed or abated the appeal in an additional 11 percent.

Three thousand two hundred thirty-eight docketed cases were pending at the end of 1979 - 29 percent higher than a year earlier and 161 percent higher than the ten-year average of 1,241.

Based on the service of nine judges, the caseload per judge in the Court of Criminal Appeals remained higher than that of the other appellate courts. The number of cases filed per judge increased slightly to 351 in 1979 from 345 in 1978.

The intermediate State appellate courts in Texas do not have criminal jurisdiction. As a result, appeals in criminal cases are directly to the Court of Criminal Appeals from the district and county courts. Due to the absence of an intermediate appellate court system for criminal cases, the Court of Criminal Appeals hears cases which in other states would be heard by one or more intermediate courts.

The Court of Criminal Appeals is also burdened by the provision of Article 44.24 of the Code of Criminal Procedure which requires the Court to deliver a written opinion or certificate with citation of supporting authorities in each case it decides. The nine judges of the Court wrote an average of 307 opinions each during 1979. In 1978, the average was 316.

COURTS OF CIVIL APPEALS
1979 Statistics

The 14 courts of civil appeals exercise intermediate appellate jurisdiction in civil cases. Each court has geograpical jurisdiction in a supreme judicial district. Seven of the courts have three justices and three have six, for a total of 51 intermediate appellate justices in the State. (The First and Fourteenth Courts in Houston and the Fifth in Dallas were expanded from three to six justices effective December 1, 1978.)

Cases filed in all the courts of civil appeals during 1979 increased 13 percent over 1978 and were 44 percent higher than the ten-year average. More new cases were filed in 1979 than in 1978 in all but the Austin and Texarkana courts. Of the courts with increased filings, the Amarillo Court experienced the largest percentage increase - 37 percent (40 cases) - and the Dallas Court the largest increase in actual number of filings - 116 cases. The Dallas Court continued to receive more new filings than any of the other courts - 474 compared to the average of 175 (Figure 4). The two courts at Houston, each of which have jurisdiction over the same geographical area, received a total of 550 new cases, 30 cases more than in 1978.

In 1979, the courts of civil appeals together disposed of 61 percent of the cases filed during the year or carried over from 1978, the same as during the previous year. The 3,299 dispositions were 42 percent higher than the ten-year average of 1,619 and 16 percent higher than 1978's 1,987 dispositions. The Dallas Court had the highest number of dispositions - 288 compared to the average for the 14 courts of 164.

In 1979, a total of 2,080 opinions were written by the courts of civil appeals, compared to 1,896 in 1978. The Dallas Court wrote the largest number of opinions - 229 - compared to the average per court of 149 (up from 135 in 1978).

The average number of written opinions per justice for all courts was 41, down from 45 in 1978.

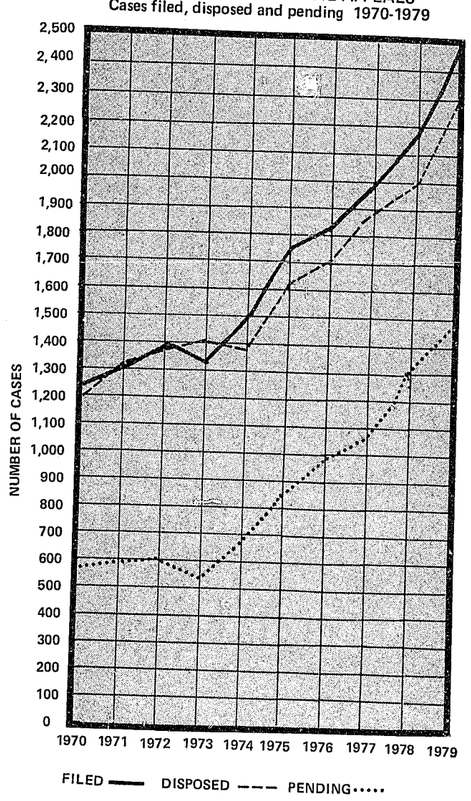
The courts of civil appeals reversed, at least in part, the decision of the trial court in 25 percent of the cases disposed, three percent less than during 1978.

At the end of 1979, 1,479 cases remained on the courts of civil appeals' dockets for subsequent disposition, a 13 percent increase over the previous year. The number of cases pending at the end of 1979 was 70 percent higher than the ten-year average of 865. Of the 1,479 cases pending December 31, 1979, 362 had been on the docket six to 12 months and 42 had been pending more than a year.

Two hundred four cases were pending on the docket of the Dallas Court at the close of the year. The number for the other courts ranged down to 58 at Eastland. The average number pending for all courts was 106, up from 93 at the end of 1978.

The average lapse of time between the filing of a case in a court of civil appeals and its disposition ranged from 4.3 months in the Dallas Court to 8.7 months in the Tyler Court. The average for all courts was 6.5 months, a half-month longer than during 1978. The average lapse of time from the submission of a case to the court and its disposition ranged from one-half of a month in the Fourteenth Court at Houston to 4.2 months in the Texarkana Court. The average for all courts was 2.3 months.

Figure 3. COURTS OF CIVIL APPEALS
Cases filed, disposed and pending 1970-1979



While the 14 courts of civil appeals operate to a large extent as autonomous courts in specific geographical areas, some desirable aspects of unification are achieved by transfer of cases among the courts by order of the Supreme Court pursuant to Article 1738, V.T.C.S. The Supreme Court transferred 333 cases during 1979, compared to 407 transferred in 1978.

The Dallas Court received the most relief from these transfers; of the 333 cases transferred to other courts, 96 were transferred from the Dallas Court. The Eastland Court received the most transferred cases - 76.

The net result of these transfers for the year 1979 is shown in Figure 5. The workload of the courts after transfers were made is shown by the total bar above the center line. This workload ranged from 101 cases at Tyler to 378 in the Dallas Court, a range considerably narrower than the range of filings (56 at Eastland to 474 in Dallas).

DISTRICT COURTS
1979

The 310 district courts experienced a six percent increase in new cases filed in 1979 - 392,787 from 370,382 in 1978. The trend of filings is shown by Figure 9.

New civil cases filed increased six percent over 1978 while criminal cases increased eight percent and juvenile cases decreased five percent.

Civil cases accounted for 76 percent of the new cases filed in 1979. Almost half of the civil cases filed (45 percent) were for divorce or annulment. Personal injury cases (including worker's compensation) comprised eight percent and tax cases seven percent of the civil cases filed - virtually the same as during 1978.

Juvenile cases (Title 3 of the Texas Family Code) accounted for two and one-half percent of the total cases filed in district courts.

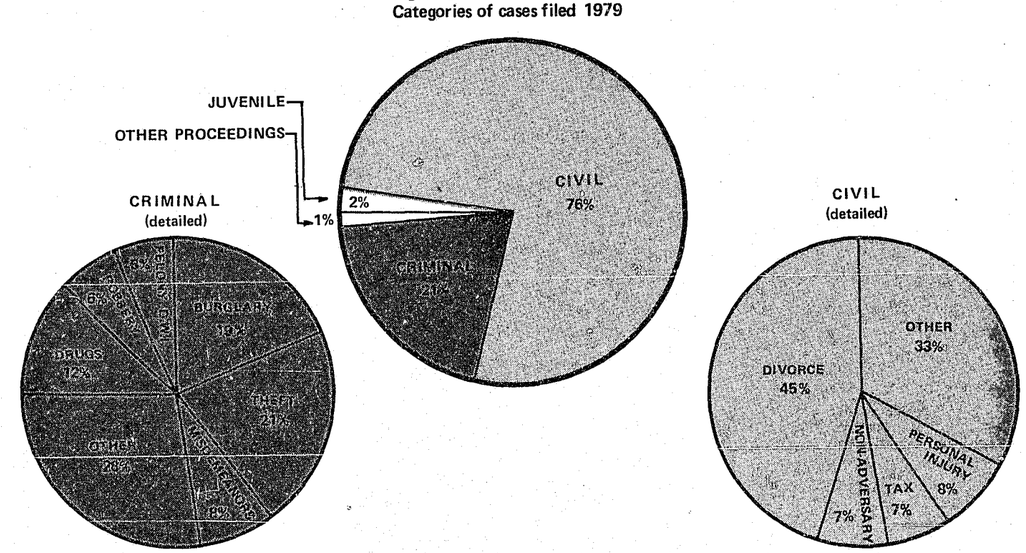
Criminal cases accounted for 21 percent of the total new cases filed in 1979. Of the criminal cases, 21 percent involved a charge of theft, 19 percent burglary, six percent robbery, six percent felony D.W.I. and 12 percent drug offenses, including marijuana. Seventeen percent of the criminal cases filed in the district court were by information, the remainder by indictment.

The number of all categories of cases filed in the eight Texas counties with 1970 population over 200,000 increased 5.6 percent, slightly less than the 6.6 percent increase in all other counties. These eight large population counties (Harris, Dallas, Bexar, Tarrant, El Paso, Travis, Jefferson, and Nueces) had 51 percent of the State's population in 1970 and 56 percent of the total cases filed during 1979. Total case filings in the eight counties increased in all - from the eight percent increase in Harris County to the 1.3 percent increase in Travis County.

Considering criminal cases only, filings increased five percent in the eight urban counties and seven percent in all other counties. Civil case filings increased in all but three urban counties - as high as a 35 percent increase in El Paso County.

In 1979, the district courts of the State disposed of 48 percent of the total cases on their dockets (filed in 1979 or carried over from 1978) - the same as in the previous three years. The district courts in the eight counties with population over 200,000 disposed of 54.5 percent. In all other counties of the State, 45.5 percent were disposed of. In all counties, 61 percent of the criminal cases and 4.4 percent of the civil cases

Figure 6. DISTRICT COURTS
Categories of cases filed 1979



on docket were disposed of during the year.

In the eight urban counties the disposition rate of criminal cases averaged 62 percent ranging from 71 percent in Jefferson County to 49 percent in Bexar County. The disposition rate of criminal cases in counties under 200,000 averaged 60 percent of those on the docket, up from 56 percent in 1978.

Comparabe figures for civil cases show an average disposition rate of 47 percent in the eight urban counties and 42 percent in the rest of the State. The range was from 65 percent in Bexar County to 37 percent in Travis County.

An average of 1,228 cases per judge were disposed of in 1979, up from 1,199 in 1978, an increase of two percent. The dispositions per judge in the eight counties, with population over 200,000 increased from 1,419 to 1,431 while in all other counties increased five percent from 999 in 1978 to 1,050 in 1979.

Fifty-one percent of all civil cases were disposed of by non-jury trials. (Seventy-one percent of these non-jury trials were in divorce cases.) Seventeen percent were dismissed for want of prosecution and 15 percent at the request of the plaintiff.

Of the 85,117 criminal cases disposed of, in 58 percent the defendant had entered a guilty plea. Including these pleas, the defendant was convicted in 62 percent of the cases and acquitted in one percent. Thirty-six percent of the criminal cases were disposed of by dismissal. Of those cases dismissed, 18 percent were because of insufficient evidence and 20 percent because the defendant was convicted in another case. In the cases in which the defendant pleaded not-guilty and which were disposed of by jury verdicts, the defendant was found guilty in 83 percent of the cases and was acquitted in 17 percent. In trials before the judge alone on not-guilty pleas, convictions resulted in 76 percent of the cases and acquittals in 24 percent. The defendant was convicted of a lesser offense than that originally filed in 16 percent of the cases resulting in convictions.

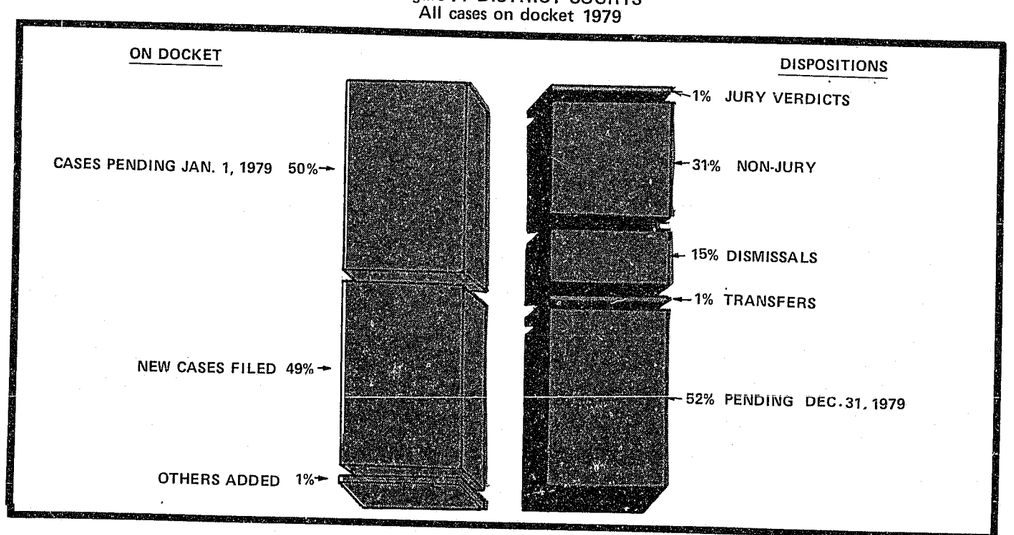
Among the criminal cases, the highest rate for disposition by conviction was the category of Felony D.W.I. with 87 percent of the dispositions being by conviction. The highest rate of disposition by dismissal was of misdemeanors (35 pecent). Conversely, the lowest rate of dismissal was for Felony D.W.I. - 12 percent were dismissed.

Twenty death sentences (down from 35 in 1978) and 340 life sentences were assessed in the district courts during 1979. Nine thousand six hundred two persons were committed to the Texas Department of Corrections, 2,957 to local jails and $7,185,200 in fines were assessed.

In the juvenile cases handled by the district courts, a finding of delinquent conduct or conduct indicating a need for supervision was entered in 60 percent of the cases disposed of. The defendant was found not to have engaged in the proscribed conduct in one percent.

Texas courts granted seven percent more divorces in 1979 than in 1978. In 1979, 133,801 divorce cases were disposed of - 47 percent of all cases handled by district courts. Seventeen percent were dismissed for want of prosecution.

Figure 7. DISTRICT COURTS
All cases on docket 1979



Tax cases tend to stay on the docket for long periods of time compared to other categories. Only 24 percent of the tax cases filed in 1979 or carried over from 1978 were disposed of by the district courts in 1979. Of those dispositions, 42 percent were dismissed by the plaintiff and another 19 percent were default judgments.

Twenty-nine percent of the personal injury cases ended in agreed judgments and 28 percent were dismissed by the plaintiff.

The total number of cases pending in the district courts at the end of 1979 - 419,618 - was six percent higher than the 394,032 pending at the end of 1978.

Another way to look at the volume of cases pending December 31, 1979, is to assume that no new cases are filed in 1980 and that the district judges dispose of cases at the same rate as during 1979. At that rate, it would take an average of 402 days to dispose of the cases pending at the end of the year. The average for the eight counties with population over 200,000 would be 366 days; for all other counties, 446 days.

COUNTY-LEVEL COURTS
1979

The county clerk in each of Texas' 254 counties is supplied forms by the Judicial Council for reporting the judicial activity in the county-level courts ("constitutional" county courts, county courts at law, probate courts, etc.). For 1979 the clerk in all 254 counties reported all twelve months activity, for a 100% reporting rate.

In terms of numbers of cases, criminal cases constituted 68.3 percent of the 452,249 new cases filed or appealed from lower courts. Civil cases accounted for 17.5 percent and probate 13.9 percent. New juvenile cases filed were less than one-half percent of the total.

Concerning the criminal cases only, 28 percent (85,675) of those filed or appealed to the county-level courts from lower courts were for driving while intoxicated. Twelve percent (36,036) were for worthless checks and six percent (19,413) for violations of law concerning marijuana possession or delivery.

Again concerning criminal cases only, 26 percent of the cases added to the county-level court dockets came by way of appeal from justice of the peace or municipal courts rather than being filed originally in the county-level courts.

Of the new civil cases docketed, 35 percent were classified as a suit on debt. Eleven percent concerned automobile-related damage suits and one percent were condemnation actions.

During the twelve-month reporting period, the county-level courts of the State disposed of 52 percent of the total criminal, civil and juvenile cases on their dockets (filed during 1979 or carried over from 1978). No statistics on the disposition of probate cases are recorded. This disposition rate was highest for criminal cases (55 percent). Forty-six percent of the civil cases on the docket were disposed of and 48 percent of the juvenile cases. Within the criminal cases category, 63 percent of the marijuana charges and 64 percent of the D.W.I. charges were disposed of but only 35 percent of the worthless check cases were disposed.

Looking at all cases (except probate), the county-level courts disposed of 388,850 cases, which is a little over one percent less than the 394,373 cases added to the dockets.

Forty-nine percent of the criminal cases in county-level courts were disposed of following a plea of guilty or nolo contendere. Thirty-seven percent were dismissed. Trials were held in two percent of the criminal cases, 2,614 before the judge alone and 2,177 before a jury.

The highest percentage of dismissals occurred in the worthless check cases - 69 percent of the dispositions were by dismissal. Pleas of guilty or nolo contendere accounted for 79 percent of the driving while intoxicated and 67 percent of the marijuana case dispositions.

The methods of disposition of civil cases parallel those for criminal cases except that a higher percentage of cases involved a trial. Six percent of the civil cases were disposed of following a trial, 1,092 before a jury and 4,639 before the judge alone. Forty-three percent of the civil cases were disposed of following a default or agreed judgment and 46 percent were dismissed.

Cases pending on the dockets of the county-level courts increased 1.6 percent from the first to the end of the year - 348,021 on January 1 and 353,789 on December 31. (This does not include probate cases.) Seven percent more criminal cases but nine percent fewer civil cases were left pending December 31, than on January 1.

JUVENILE ACTIVITY

1979

Section 51.04 of the Texas Family Code provides for the designation of a court or courts in each county as the juvenile court, to hear proceedings under Title 3 of the Family Code. The court(s) designated must be either a district, criminal district, county court at law or constitutional county court. The designation is to be made by the juvenile board in each county, or if there is none, by the judges of the above-mentioned types of courts in the county.

Juvenile court activity is therefore reported to the Judicial Council by either the district clerk, or the county clerk, or both, depending on which courts have been designated under Section 51.04.

Looking at total statewide activity, it appears that about 89 percent of the juvenile cases in the state were handled by district courts and the remaining eleven percent were handled by county-level courts (county courts at law or constitutional county courts).

Combining the reports from both sources produces the table shown below. Statewide, 11,233 new juvenile cases were filed during 1979 - two percent fewer than in 1978. Of these, 9,807 were for allegations of delinquent conduct (down one percent from 1978) and 1,426 for allegations of conduct indicating a need for supervision (down eleven percent). The courts disposed of 12,719 cases - nine percent fewer than in 1978. Findings of delinquent conduct or conduct indicating a need for supervision were entered in 60 percent of the dispositions and findings of no delinquent conduct or conduct indicating a need for supervision were entered in one percent. Thirty-eight percent were dismissed.

JUSTICE OF THE PEACE COURTS

1979

From various sources, the Judicial Council determined that there were 970 justices of the peace in Texas during 1979. Each justice was asked to submit a one-page monthly report to the Council on activity in that court. All twelve months' activity for 1979 was reported by 632 justices of the peace, 192 others reported fewer than twelve months' activity and 146 submitted no reports at all. Statewide, the Council received 9,180 reports out of a possible 11,640 for 1979 (79 percent).

In terms of numbers of cases, traffic cases comprised 64 percent of the cases filed in the reporting courts. During 1979, 1,171,450 traffic cases were filed, about the same as during 1978. Non-traffic criminal cases filed were 9 percent more than in 1978 and comprised 22 percent of the total cases filed. Civil cases (including "small claims" cases) provided 15 percent of the new cases filed and the number of those cases increased 35 percent over 1978.

In addition, the reporting courts received 12,990 peace bond applications and held 6,642 hearings to determine if a peace bond should be issued. In the justice of the peace's capacity as a State magistrate, the reporting judges accepted 34,139 complaints within the jurisdiction of the county courts and 67,575 within the jurisdiction of the district courts (felonies). Ten thousand four hundred twenty examining trials (preliminary hearings of district or county court cases) were held and 11,632 inquests were conducted. Drivers license suspension hearings totaled 33,443. Four thousand eight hundred nineteen search warrants were issued and 97,967 defendants charged with county or district court offenses were given statutory warnings.

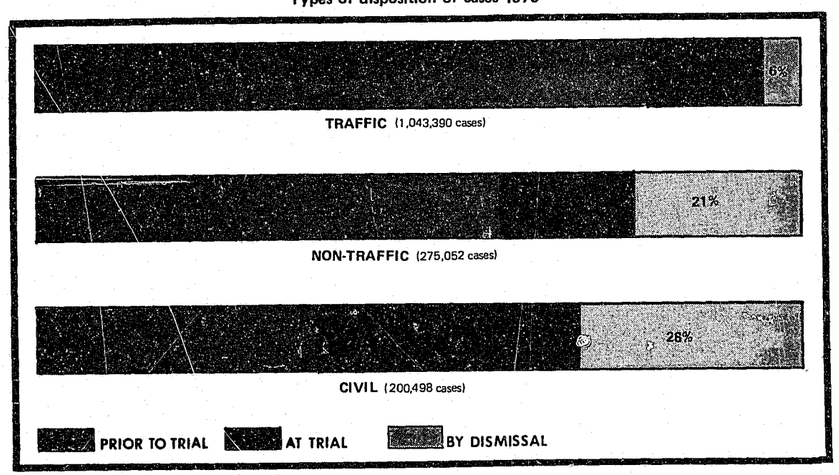
Types of disposition of cases 1979



Justices of the peace reported the disposition of cases in three categories: prior to trial, at trial and dismissed. Seventy-one percent of all cases were disposed of before trial, 17 percent at trial and 12 percent were dismissed.

Looking at traffic cases only, 80 percent were disposed of prior to trial, practically all by payment of fine. Of the 14 percent that went to trial, 99 percent of the cases were tried before the judge alone and the remaining one percent were tried before a jury. When traffic cases went to trial, the defendant was found guilty in 96 percent of the cases tried before the judge alone and in 82 percent of the cases tried before a jury.

Concerning non-traffic criminal cases, 61 percent were disposed of prior to trial. Eighteen percent went to trial. Of those that went to trial, 95 percent were before the judge without a jury. Guilty findings were made in 92 percent of the trials before a judge alone and in 58 percent of the jury trials.

A much higher percentage (33 percent) of civil suits went to trial than criminal cases. Thirty-eight percent of the civil suits were settled before trial and 28 percent were dismissed. Of the cases that went to trial, 99 percent were before the judge alone and the remainder before a jury.

The courts reported disposing of 1,518,940 cases, which is 83 percent of the 1,836,039 filed. Total dispositions were three percent higher than in 1978.

Seventeen thousand six hundred seventy-seven cases were appealed from the justice of the peace courts, or about one percent of the cases disposed of.

Total revenue collected by the reporting courts during 1979 was $39,871,779, four percent more than in 1978. This revenue becomes part of the treasury of the county where the court is located except for a $3.50 court cost on each case which is remitted to the special funds of the State.

MUNICIPAL COURTS
1979

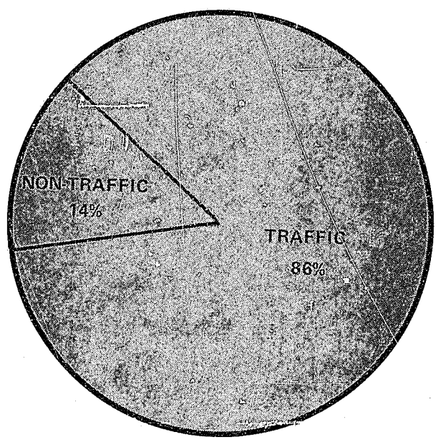
The municipal courts in the 214 cities with 1970 population of 5,000 or greater were asked to submit a one-page monthly report to the Council on activity in the court. The residents of these cities represent 71 percent of the population of the entire State, according to the 1970 census. All twelve months' activity for 1979 was reported by 172 of the courts, 30 others reported fewer than twelve months' activity and 12 submitted no reports at all. Statewide, the Council received 2,292 reports out of a possible 2,568 for the year (89 percent).

In terms of numbers of cases, traffic cases comprised 86 percent of the cases filed in the reporting courts. Almost two and one-half million traffic cases were filed in these courts during 1979, five percent higher than during 1978. Non-traffic criminal cases provided the other 14 percent of the new cases filed.

In addition to those cases, 2,689,782 parking citations were received by the courts and 1,414,590 parking offenses were disposed of. In the municipal judge's capacity as a State magistrate, the reporting judges accepted 11,109 complaints within the jurisdiction of the county courts and 6,004 within the jurisdiction of the district courts (felonies). One hundred thirteen examining trials (preliminary hearings of district or county court cases) were held, and 27 inquests were conducted by municipal judges. Drivers license suspension hearings totaled 11,244. Two thousand seven hundred twenty-eight search warrants were issued and 60,146 defendants charged with county or district court offenses were given statutory warnings.

Municipal courts reported the disposition of cases in three categories: prior to trial, at trial and dismissed. Seventy percent of all cases were disposed of before trial (by payment of fine or forfeiture of bond), 17 percent at trial (after an appearance before the judge) and 13 percent were dismissed.

Figure 14. MUNICIPAL COURTS
Categories of cases filed 1979



Looking at traffic cases only, 71 percent were disposed of prior to trial, 89 percent of those by payment of fine and 11 percent by bond forfeiture. Of the 15 percent that went to trial, 99 percent of the cases were tried before the judge alone and the other one percent before a jury. When traffic cases went to trial, the defendant was found guilty in 82 percent of the cases tried before the judge alone and in 67 percent of the cases tried before a jury.

Concerning non-traffic criminal cases, 62 percent were disposed of prior to trial. Twenty-five percent went to trial and 13 percent were dismissed. Of those that went to trial, 99 percent were before the judge without a jury. Guilty findings were made in 90 percent of the trials before the judge alone and in 59 percent of the jury trials.

The courts reported disposing of 2,633,449 cases, which is 92 percent of the 2,854,241 filed.

Fifty thousand five hundred forty cases were appealed from the municipal courts, a little less than two percent of the cases disposed of.

Total revenue collected by the reporting courts during 1979 was $61,650,207. This was 4 percent higher than the amount collected by the courts reporting in 1978. This revenue becomes a part of the treasury of the city in which the court has jurisdiction except for a $3.50 court cost on each case which is remitted to the special funds of the State.

CAUTIONARY STATEMENT

Perhaps more caution should be used in drawing general conclusions from court statistics than from statistics on other subjects. The included data do not attempt to portray everything courts or judges do, or how much time is spent on court-related activities not represented by these court statistics.

Regarding appellate courts, temporary emergencies such as illness of a judge or unusually burdensome cases may distort the statistical picture. In addition, there is no reliable way to ascertain the time spent by appellate or trial judges in study or research in the composing of their opinions and decisions.

At least two factors are not represented in the district court statistics presented and should be borne in mind when evaluating judicial output:

1. One very complicated case may consume an inordinate amount of time compared to less complicated or lengthy cases.
2. The judges of district courts in most non-metropolitan areas spend more time traveling between different counties comprising a single district than do their metropolitan counterparts, and a metropolitan complex of many judges of identical jurisdiction permits judicial efficiencies not available in non-metropolitan areas.

Particularly the county court judges, justices of the peace, and municipal court judges spend a large amount of time counseling with the people in their communities, and as a result of this counseling, many cases are not filed. In addition, many of these judges have non-judicial responsibilities as a result of their position in the community which are not reflected in these statistics.

Explanation of Case Categories

CRIMINAL DOCKET

A criminal case is defined as one defendant per indictment or information. For example, if an indictment names more than one defendant, there is more than one case; three defendants named in one indictment equals three cases. If the same defendant receives more than one indictment, even if for the same criminal episode, there is more than one case: the same person named in four indictments equals four cases.

Finally, if an indictment contains more than one count (Article 21.24, C.C.P.) only one case per person named in the indictment is reported. The case is reported under the classification for the most serious offense alleged.

The case-type categories are:

1. ARSON. Any offense under Sec. 28.02, P.C. (Ordinary, With Bodily Injury).

2. ATTEMPT TO MURDER. The offense of attempt (as defined in Sec. 15.01) to commit Capital Murder, Involuntary Manslaughter, Voluntary Manslaughter, Murder (Sec. 19.02, 19.03, 19.04, 19.05).

A civil case, as opposed to a criminal case, is not dependent on the number of persons involved in a suit. Each separate suit normally commenced by the filing of the plaintiffs original petition, defines an individual civil case.

The Case-type categories are:

1. PERSONAL INJURY. All cases for damages associated in any way with a motor vehicle (automobile, truck, motorcycle, etc.), with or without accompanying personal injury. Examples include personal injury, property damage, and wrongful death cases.

2. WORKER'S COMPENSATION. Appeals from awards of compensation for personal injury by the Texas Industrial Accident Board. (Art. 8307, V.T.C.S.).

JUVENILE DOCKET

OTHER PROCEEDINGS

The proceedings under these categories may stem from criminal, civil or juvenile cases.

CAUTIONARY STATEMENT

Perhaps more caution should be used in drawing general conclusions from court statistics than from statistics on other subjects. The included data do not attempt to portray everything courts or judges do, or how much time is spent on court-related activities not represented by these court statistics.

Regarding appellate courts, temporary emergencies such as illness of a judge or unusually burdensome cases may distort the statistical picture. In addition, there is no reliable way to ascertain the time spent by appellate or trial judges in study or research in the composing of their opinions and decisions.

At least two factors are not represented in the district court statistics presented and should be borne in mind when evaluating judicial output:

1. One very complicated case may consume an inordinate amount of time compared to less complicated or lengthy cases.
2. The judges of district courts in most non-metropolitan areas spend more time traveling between different counties comprising a single district than do their metropolitan counterparts, and a metropolitan complex of many judges of identical jurisdiction permits judicial efficiencies not available in non-metropolitan areas.

Particularly the county court judges, justices of the peace, and municipal court judges spend a large amount of time counseling with the people in their communities, and as a result of this counseling, many cases are not filed. In addition, many of these judges have non-judicial responsibilities as a result of their position in the community which are not reflected in these statistics.

COUNTY-LEVEL COURTS DETAILED STATISTICS

COUNTY-LEVEL COURTS
Explanation of Case Categories

CRIMINAL DOCKET

A criminal case is defined as one defendant per information. For example, if an information names more than one defendant, there is more than one case: three defendants named in one information equals three cases. If the same defendant receives more than one information, even if for the same criminal episode, there is more than one case: the same person named in four informations equals four cases.

Finally, if an information contains more than one count (Article 21.24, C.C.P.) only one case per person named in the information is reported. The case is reported under the classification for the most serious offense alleged.

The case-type categories are:

1. D.W.I. An offense under Art. 67011-2, V.T.C.S.

2. WORTHLESS CHECK. An offense of Theft (Sec. 31.03, Penal Code) or Theft of Service (Sec. 31.04), if the defendant obtained property or secured performance of service by issuing or passing a check or similar sight order for the payment of money, when the issuer did not have sufficient funds in or on deposit with the bank or other drawer for the payment in full of the check or order as well as all other checks or orders then outstanding. (Section 31.06, P.C. is also often cited in the complaint).

3. MARIJUANA. An offense under the Controlled Substances Act (Art. 4476-15) of possession of 4 oz. or less of marijuana.

4. OTHER CRIMINAL. All cases not covered by the three categories defined above.

CIVIL DOCKET

A civil case, as opposed to a criminal case, is not dependent on the number of persons involved in a suit. Each separate suit normally commenced by the filing of the plaintiffs original petition, defines an individual civil case.

The case-type categories are:

1. AUTO DAMAGES. All cases for damages associated in any way with a motor vehicle (automobile, truck, motorcycle, etc.), with or without accompanying personal injury. Examples include personal injury, property damage, and wrongful death cases.

2. CONDEMNATION. Suits by a unit of government or a corporation with the power of eminent domain to begin the proceedings for the taking of private land for public use.

3. SUIT ON DEBT. Suits filed for the purpose of recovering a specific sum of money based on a certain and express agreement, usually a contract.

4. OTHER CIVIL. All civil cases not clearly identifiable as belonging in one of the three previous categories are included in this category.

JUVENILE DOCKET

Juvenile cases are based upon petitions for adjudication of a child alleged to have engaged in delinquent conduct or conduct indicating a need for supervision (C.I.N.S.) as governed by Title 3 of the Texas Family Code.

PROBATE DOCKET

The number of probate cases, of all types, including mental health proceedings.

CAUTIONARY STATEMENT

Perhaps more caution should be used in drawing general conclusions from court statistics than from statistics on other subjects. The included data do not attempt to portray everything courts or judges do, or how much time is spent on court-related activities not represented by these court statistics.

Regarding appellate courts, temporary emergencies such as illness of a judge or unusually burdensome cases may distort the statistical picture. In addition, there is no reliable way to ascertain the time spent by appellate or trial judges in study or research in the composing of their opinions and decisions.

At least two factors are not represented in the district court statistics presented and should be borne in mind when evaluating judicial output:

1. One very complicated case may consume an inordinate amount of time compared to less complicated or lengthy cases.
2. The judges of district courts in most non-metropolitan areas spend more time traveling between different counties comprising a single district than do their metropolitan counterparts, and a metropolitan complex of many judges of identical jurisdiction permits judicial efficiencies not available in non-metropolitan areas.

Particularly the county court judges, justices of the peace, and municipal court judges spend a large amount of time counseling with the people in their communities, and as a result of this counseling, many cases are not filed. In addition, many of these judges have non-judicial responsibilities as a result of their position in the community which are not reflected in these statistics.

RETIRED JUDGES
Under the Provisions of
THE JUDICIAL RETIREMENT SYSTEM

The Judicial Retirement System operates under authority of art. 6228b, V.T.C.S. The basic provision permits voluntary retirement of appellate and district judges at half-pay (of then salary) after ten years service, either upon incapacity or attaining age 65; subject to 10% increase under conditions designed to encourage retirement at age 70. Judges in active service contribute 6% per annum of their salaries to the State General Fund. Retired judges who have elected to continue as judicial officers may be assigned to special duties at active-duty pay rates.

Automatic retirement occurs at age 75.
