## ATTORNEY GENERAL OF WASHINGTON

7th FLOOR, HIGHWAYS-LICENSES BUILDING • OLYMPIA, WASHINGTON 98504-8071

August 1, 1988

### FOREWORD

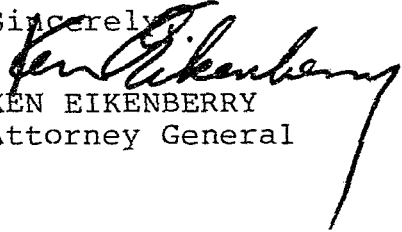

Here is your copy of the 28th annual LAW ENFORCEMENT SURVEY. All data is effective as of March 1, 1988. For those of you who are interested in per capita assessed valuation or per capita taxable sales, that information is available through the Research Division of the Department of Revenue.

This survey is published by the Attorney General's Office and the Association of Sheriffs and Police Chiefs as a service to public officials, law enforcement leaders and others concerned with this most important field.

We had widespread cooperation and substantial assistance on the part of several persons in preparing this survey, and I would like to especially thank our law librarian, Phillip G. Bunker, for once again doing an excellent job of managing the project. I would also like to express appreciation to several persons who assisted in the design of this year's survey. They are Garry Wegner of the Criminal Justice Training Commission, and Gene Cotton and Mert Obert of the Association.

Finally, I would like to thank all of the chiefs and sheriffs who responded to the survey questionnaire. Once again, we had 100% participation.

Sincerely,

  
KEN EIKENBERRY  
Attorney General
