SECTION 3

YOUTH DEVELOPMENT CENTER ADMISSIONS

FY91

The information in Section 3 includes all admissions to the Youth Development Centers or to Juvenile Parole. The total of 1,133 admissions is an admission count rather than a count of the number of individuals admitted. For example, a single individual who was committed, paroled, and returned to a Youth Development Center as a parole violator would be counted three times in the admissions statistics on the following pages, as the intent of the statistics is to provide overall admission numbers.

SECTION 11

JUVENILE PAROLE SAFEKEEPERS

FY91

SECTION 11 includes all admissions to a Youth Development Center for the purpose of safekeeping until the Juvenile Parole Authority has determined whether to reinstate the individual to parole or revoke parole.

Because of differences in record keeping, the Youth Development Center count at Geneva (21) represents only safekeepers who are reinstated while the count of 124 at the Youth Development Center in Kearney reflects all safekeepers whether they are reinstated to parole or revoked.
