### **BOARD OF POLICE COMMISSIONERS**

Appointed by the Mayor and subject to the approval of the City Council, the Board of Police Commissioners is comprised of diversified civilians who are residents of the City. The Board of Police Commissioners maintains supervisory authority over the functions of the Detroit Police Department and represents the various interests and values of the community. Each Commissioner is appointed to a five year rotating term of membership.

In 1974, the City Charter, adopted by the vote of the people of the City, afforded the Board of Police Commissioners the authority to assure the principles of civilian control over the Police Department. The Board of Police Commissioners resolves and approves regulations and policy for the Police Department, in conjunction with the Chief of Police and the approval of the Mayor.

The functions of the Board of Police Commissioners include acting as the final authority in reviewing and imposing employee discipline; maintaining responsibility to monitor and resolve complaints concerning the Department's operations; and approving the Department budget, prior to its submission to the Mayor, the City Council and the public. An Executive Secretary, Chief Investigator, Director of Personnel, and efficiently trained civilian and department investigators comprise the staff of the Board of Commissioners.

The Board of Police Commissioners is available for community input through the weekly Thursday meetings, held at police headquarters, and the monthly community meetings, held in various precincts.

### Chief of Police, 1974-Date

Philip G. Tannian	1974-1976	William L. Hart	1976-1991
Stanley Knox	1991-Date		

The Detroit Police Department continues to experience tremendous cooperation with the citizens of Detroit in a collective effort to combat crime in our community.

We have dedicated this year to increasing service with fewer resources. Adjustments in manpower allocations, the merging of various divisions and sections, and more efficient utilization of response units were among the major accomplishments intended to provide the highest quality of law enforcement service to our citizens.

Through continued dedication and by working together, **community and police are an unbeatable team.**

## CHAMBER OF COMMERCE

The Detroit Police Department/Greater Detroit Chamber of Commerce Awards Ceremony is held during Police Week, in May of each year.

Fifteen citizens and sixteen Detroit Police Officers, chosen by area precincts, are honored for their outstanding community contributions during the year.

Each precinct selects one citizen and one police officer as city-wide winners. Each winner receives a five hundred dollar check, to be donated in their name, to the charity of their choice.

### D.A.R.E.

The Drug Abuse Resistance (D.A.R.E.) program was instituted in the City of Detroit in 1988.

The D.A.R.E. program is presented to elementary school students, in the 5th or 6th grade. Classes are held once a week for 17 weeks and are between 45-60 minutes in length. The program not only teaches students about the dangers of drugs; it teaches them how to say "NO".

From 1988-1991 13,000 students have graduated from the D.A.R.E. program in the City of Detroit

During the 1991 school year over 1,800 D.A.R.E. students from the City of Detroit participated in the largest D.A.R.E. day rally in the United States, which was held on September 12, 1991 in Hart Plaza.

## CHAPLAIN CORPS

The Detroit Police Chaplain Corps Unit, is comprised of thirty-nine ecclesiastically trained volunteer chaplains. Detroit area chaplains began serving the Detroit Police Department in 1974.

The Chaplain Corps Unit has given over one thousand hours of counseling, stress management, and spiritual guidance to members of the Detroit Police Department and their families. In addition, the chaplains stand prepared to respond to disasters occurring in the Detroit area.

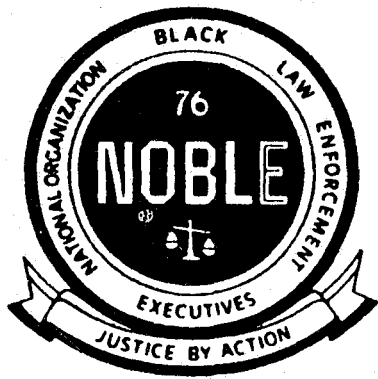

The P.A.L. program was established in July 1969. The original program was known as P.A.Y.S. (Police And Youth In Sports). The program began its operations with a staff of four.

In 1970, P.A.Y.S. became affiliated with the National Police Athletic League. The national P.A.L. body recognized the Detroit program and this was the beginning of the Detroit Police Athletic League (P.A.L.).

P.A.L. began with 144 youth. In the year 1991, P.A.L. touched the lives of over 22,000 inner city youth.

The National Organization of Black Law Enforcement Executives (N.O.B.L.E.) is an incorporated, non-profit organization of police chiefs, command-level law enforcement officials, criminal justice educators and persons interested in promoting the goals and objectives of the organization.

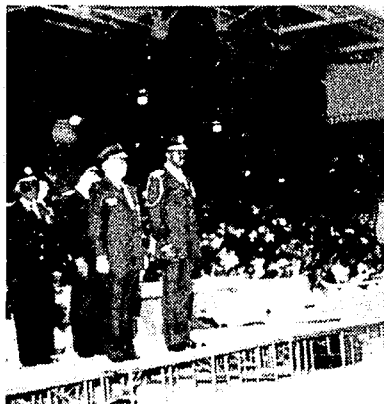

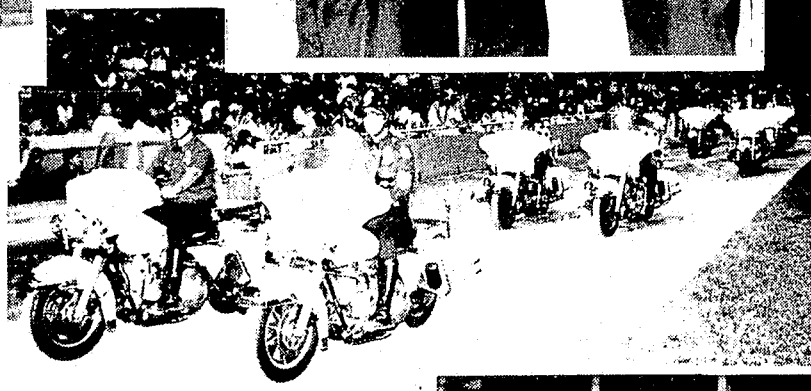

N.O.B.L.E.'s goals are to develop, implement and manage innovative ideas, concepts and programs that impact crime and violence.

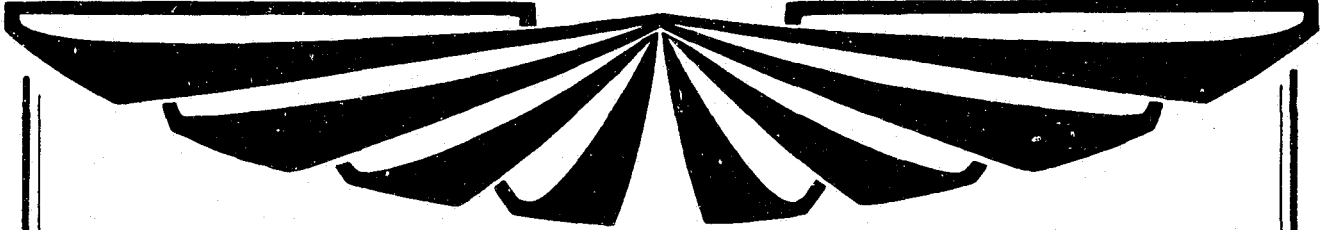

Proceeds from the Third Annual "Reginald Turner Memorial Golf Tournament for Scholarships" were used to award ten scholarships totaling \$11,000 to graduates of metro Detroit schools.
