SECTION 3

YOUTH DEVELOPMENT CENTER ADMISSIONS

FY93

The information in SECTION 3 includes all admissions to the Youth Development Centers or to Juvenile Parole. The total of 1,129 admissions is an admission count rather than a count of the number of individuals admitted. For example, a single individual who was committed, paroled, and returned to a Youth Development Center as a parole violator would be counted three times in the admissions statistics on the following pages as the intent of the statistics is to provide overall admission statistics.
