The Crime Victim Compensation Program of the Attorney General's Office is pleased to provide you with a revised statewide directory of services available for crime victims.

The directory is not a complete listing of statewide services available to victims of crime. It contains only entries for those agencies or providers who responded to a survey distributed by the Crime Victim Compensation Program.

When referring victims to appropriate services it may be helpful to check the resources in contiguous counties. Agencies which have multi-county services are listed under each county.

Inclusion or omission of a particular program or provider in the directory does not imply an endorsement by the Crime Victim Compensation Program.

Enclosed in the directory is a blank copy of the survey form for your use. Please provide copies of the survey to other agencies in your area who wish to be included in future editions, or to notify the Crime Victim Compensation Program of any changes within your program.

The "1994-95 Crime Victim Assistance Resource Directory" is available to all victim service providers, victim witness coordinators, law enforcement, and county attorneys. Additional copies of the directory can be obtained by sending a completed order form along with \$5.00 per directory order to; Crime Victim Compensation Program, Old Historical Building, Des Moines, IA 50319.

We hope the resource directory will be helpful for you. Feel free to contact us at (515) 281-5044 with any comments or suggestions.
