SECTION 3

YOUTH DEVELOPMENT CENTER ADMISSIONS

The information in SECTION 3 includes all admissions to the Youth Rehabilitation & Treatment Centers or to Juvenile Parole. The total of 1,129 admissions is an admission count rather than a count of the number of individuals admitted. For example, a single individual who was committed, paroled, and returned to a Youth Rehabilitation Treatment Center as a parole violator would be counted three times in the admissions statistics on the following pages as the intent of the statistics is to provide overall admission statistics.

SECTION 11

JUVENILE PAROLE SAFEKEEPERS

Juveniles on parole can be admitted to a Youth Rehabilitation Treatment Center for the purpose of safekeeping until the Juvenile Parole Authority has determined whether to reinstate the individual to parole or revoke parole. To avoid double counting, statistics in SECTION 11 include only those individuals who were later reinstated to parole while statistics in SECTION 12 include only those who were revoked.
