NOTES ON FISCAL 1994 AVERAGE DAILY POPULATION

A/ Residents include offenders in the institution and on furlough on the last day of the report period. For the Prison Complex and Youth Complex, number on furlough is included in the total counts and not in the counts for separate units.

Also note that, for this report, offender counts are based on physical location and not on correctional jurisdiction (e.g. prison offenders housed in Youth Correctional Facilities are included in Youth Correctional counts).

B/ MEDIUM/MAXIMUM UNITS: Footnote "B" identifies units providing medium and maximum custody. The count provided includes all offenders resident in units which primarily house offenders requiring more than minimum custody. Thus these counts are not a count of offender custody status but are a count of the total number of offenders resident in designated units.
