## FOREWORD

This directory provides the names of state, substate, and local government police planners. The directory is distributed to New England state and local government officials to help facilitate the exchange of ideas and information.

The directory is arranged by state, with state planners listed first, followed by substate and local planners. The local criminal justice planners listed are those directly involved in police planning.

Funding for preparation of the directory is through a grant from the LEAA Regional Office. Appreciation is expressed to the regional criminal justice offices for providing information. The information for this report was compiled by Donald Jones, NEMC Administrative Aide. Peggy Hoblitzell, NEMC Administrative Aide, was responsible for the production of the report.

Respectfully submitted,

Karl A. Van Asselt  
Executive Director
