The Honorable W. H. McNichols, Jr.
Mayor, City and County of Denver
Room 350
City and County Building
Denver, Colorado 80202

Dear Mayor McNichols:

I am pleased to present for your acceptance this Annual Report for the Denver Police Department for 1976.

Our Centennial-Bicentennial year was celebrated in an aura of peace, free from the spectre of violence which had been forecast by certain terrorist members of our society. This can be attributed in no small measure to the selfless efforts of the men and women of the Denver Police Department.

The pages of this Annual Report graphically reflect the composition and accomplishments of the Department. The year 1977 portends even greater progress with central operations emanating from the new police administration building.

As I reflect upon past law enforcement achievements, I am reminded of the poignant words of Oliver Wendell Holmes: "I find the great thing in this world is not so much where we stand, as in what direction we are moving."

I join with the members of the Denver Police Department in thanking you for your continuing allegiance and support.

Cordially yours,

Dan P. Cronin

The Honorable W. H. McNichols, Jr.

Room 350

Dear Mayor McNichols:

With a spirit of professional pride in my department and guarded optimism in the future of the city and its crime problems, I respectfully submit to you the 1976 Annual Report, depicting some of the activities and accomplishments of the Denver Police Department.

Crime figures for 1976 revealed that Denver experienced a less overall increase in crime in comparison to the National Average. We consider our many crime prevention efforts as partly responsible for this encouraging result.

I take this opportunity to thank you and the officers of this department for the sincere dedication and support afforded me and the citizens of Denver in 1976.

Sincerely,

ARTHUR G. DILL
Chief of Police

ADMINISTRATIVE ASSIGNMENTS

30 OFFICERS - 3 CIVILIANS

The Administrative Assignments comprise 2% of the Department's commissioned officers. These officers are assigned within the offices of Mayor, Manager of Safety and Chief of Police. Their functions vary from direct contact with the public to the internal complexities of guaranteeing the integrity of the Department.

THE COMMUNITY RELATIONS BUREAU is dedicated to mutual interdependence of the police department and the citizenry at large for the purpose of developing mutual respect, cooperation and appreciation between the police and the people we serve. Special emphasis is placed on promoting a climate which is highly conducive to greater public involvement, which in turn enhances police effectiveness and capabilities.

THE POLICE ATHLETIC LEAGUE (P.A.L.) presents opportunities for police officers to work with youngsters of impressionable ages. Over 5000 youths participate in various sports (boxing, baseball, football, judo, track, basketball, etc.) and recreational activities with the objective to communicate more realistically through the medium of sports with the youth of Denver.

STOREFRONTS are police facilities, established in neighborhoods for the purpose of developing closer relationships between police and citizens. Relieving or reducing community tensions by effective communication, confrontation and understanding is a major concern of the police

Storefronts. We currently have four Storefronts, with four officers assigned.

THE JUNIOR POLICE BAND, a police/youth orientated group, performs at numerous civic functions including presidential inaugurations. The band, sponsored by the Denver Police Protective Association, was organized and chartered on June 28, 1937. One police officer is assigned as the executive officer of the band. There are presently 230 youths participating in five separate bands. In conjunction with these is a dance band which performs at numerous functions throughout the year.

THE STAFF INSPECTION BUREAU is directly responsible to the Chief of Police. Its primary responsibility is to maintain the integrity of the Department. Duties are threefold: Accepting and processing citizen complaints and departmentally initiated disciplinary actions, to conduct formal and spontaneous inspections of personnel and to review and approve all written commendations. The commander of the Bureau and command officers from operating divisions comprise the Commendations Board.

The Training Bureau drafts, processes and distributes training material throughout the department, and is responsible for coordinating the assignment of the police cadets. The Training Academy maintains a staff of 1 lieutenant, 4 sergeants and 5 technicians.

They have supplied approximately 2000 hours of training material not only to this department but to other law enforcement agencies throughout Colorado and the nation. The Denver Police Department is the only department in the United States that has the capability of supplying law enforcement training tapes in color, both in a studio and on location sites.

THE RECORDS/DATA BUREAU processes and files all criminal offense reports, traffic accident reports, pawnshop records, moving violation citation copies, officer's log sheets, gun registrations and stolen item records. These records are made available to all law enforcement agencies. Public

record copies are available in this bureau for any business or individual on request.

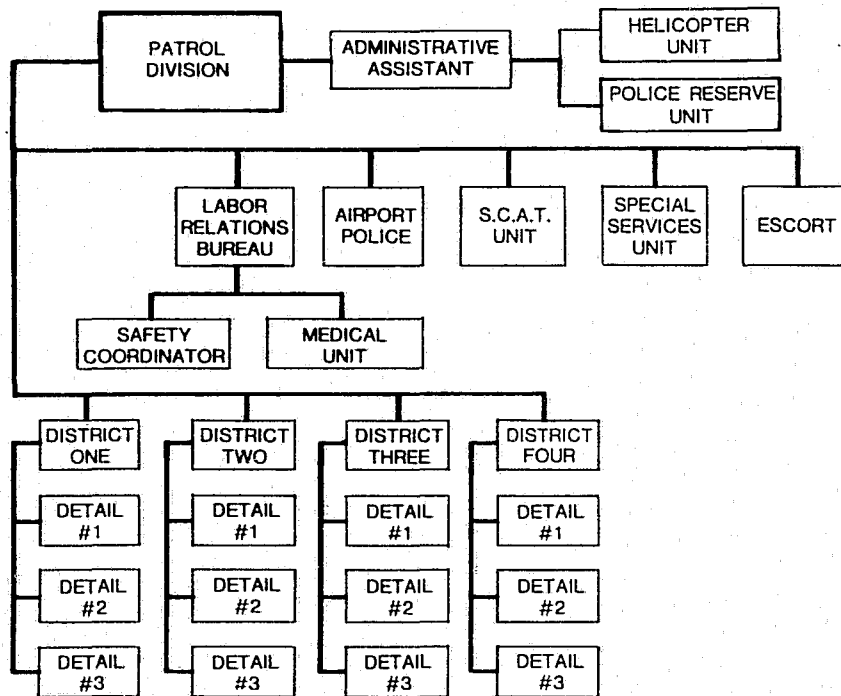

COMPUTER DATA BUREAU collects and reports departmental information for statistical and administrative utilization. The section is currently updating its capabilities to provide a more sophisticated computerized police program.

District officers routinely patrol the entire city to accomplish this end and to assist the community as may be reasonably necessary in non-police matters.

THE POLICE DISTRICTS - Dividing the city into four parts, the District Stations act as staging quarters and neighborhood police centers. Districts operate on three 8-hour details and are subdivided into 63 precincts ranging from fourteen to nineteen in each district.

72 OFFICERS - 36 CIVILIANS

William E. Threlkeld
Division Chief of Delinquency Control

The Delinquency Control Division comprises 6% of the Department's strength. Existing philosophy of Juvenile Court Law is to give a child a hearing and work out a program for his better adjustment in the community instead of giving him a trial and dealing out punishment. The most important principle underlying the approach of the Police and the Judiciary toward juvenile delinquency is the acceptance of the fact that juveniles are not adults.

THE GENERAL OFFENSE SECTION investigates complaints involving juvenile suspects and assists the Detective Bureau in cases where juveniles are found to be implicated.

THE YOUTH SERVICES SECTION provides liaison with the Welfare Department and Juvenile Hall. They coordinate filing of petitions and court appearances, screen incoming juveniles and represent the police department at detention hearings. OF DENVER

The City and County of Denver is famous as the "Mile High City", but it actually lies much lower than the general level of Colorado. Located on a plateau near the geographic center of the United States, it sits at the foot of what the Indians called "the shining mountains", well to the east of the front range of the Rockies.

In relation to climate, Denver is situated a long distance from any moisture source and is separated from the Pacific source by a high mountain barrier. Residents enjoy 310 days of sunshine a year and the most comfortable temperature-humidity ratio of any major American city. Normal precipitation averages 14.33 inches annually.

Denver is a growing city and with a Metropolitan population of 1,575,600 (Denver Regional Council of Governments), it is the largest city in the Rocky Mountain States. With this growth, there is an increasing need for police officers, dedicated to the highest ideals of police service, eager to be a part of local government that strives to make Denver a pleasant place to live.

THE POLICE MEDAL OF HONOR

THE MEDAL OF HONOR is the highest decoration awarded by the Denver Police Department and is reserved for officers who have performed acts of courage or heroism wherein they gravely risk their lives in the performance of their duties.

The Medal of Honor Award and presentation luncheon ceremony is sponsored by area business firms under the auspices of the Denver Chamber of Commerce.

DETECTIVE DAVID L. HALEY

Det. Haley was involved in a surveillance at the Trailways Bus Depot on December 10, 1975 attempting to apprehend a wanted fugitive. While attempting to disarm the suspected fugitive, Haley was shot several times, and his partner, Det. Donald De Bruno was critically wounded. Although seriously wounded, Haley pursued and shot the fleeing suspect, resulting in the suspect's subsequent arrest.

DETECTIVE DONALD L. DEBRUNO

Det. DeBruno was also assigned to surveillance of a wanted fugitive at the Trailways Bus Depot on December 10, 1975. DeBruno recognized the suspected fugitive as he was leaving the depot. With his partner, Det. Haley, DeBruno approached the suspect. As the two started to identify themselves as police officers, the suspect drew a revolver and shot both officers. Det. DeBruno died as a result of injuries suffered in this action, sacrificing his life in the performance of his duty.

DETECTIVE WILLIAM R. O'HAYRE

Det. O'Hayre was working at Western National Bank in May, 1975 when three armed men entered the bank and held O'Hayre at gun-point during an attempted armed robbery. Reacting with cool-headedness and inordinate courage, O'Hayre was able to draw his service revolver and disarm and capture two of the shotgun carrying suspects. O'Hayre is commended for his composure in an extremely dangerous situation, and his concern for employees and customers of the bank, as well as the suspect he wounded during the robbery attempt.

PATROLMAN JAMES R. REED

Patrolman Reed volunteered for hazardous assignment on a decoy operation posing police officers as cab drivers in an attempt to solve a series of violent crimes against cab drivers. During the assignment, Reed was discovered to be a policeman by two armed suspects and his life was placed in serious danger. Reed was able to draw his gun and, with assistance from his back-up man, apprehended the two suspects. A total of 14 armed robberies of cab drivers were solved as a result of Reed's courageous action.

DEPARTMENT HIGHLIGHTS - 1976

In January, the Department's Training Bureau began an In-Service Training Program for all personnel on the Department. The officers attended a week of instruction on departmental functions and procedures. A week of Crisis Intervention is slated for the 1977 In-Service Training Program.

In February, the LEAA funded SCAT (Special Crime Attack Team) was retained by the Department and has become a permanent unit of the force. The SCAT Unit is comprised of 33 officers and has as its primary objective, the person to person contact of suspicious individuals by the SCAT officers.

In March, the Denver Chamber of Commerce, at its Annual Awards Ceremony, awarded 28 Silver Cross and 8 Community Service Awards to Denver Police Officers. In addition, 4 officers were awarded the Medal of Honor depicted on page 35 of this Annual. One officer was awarded the Medal of Honor posthumously.

In May, the Traffic Division purchased 13 Jeeps to replace some of the Cushman Scooters presently used in Parking Control. It is anticipated that this type of vehicle will eventually replace the department's three-wheel motorcycles.

In 1976, the Department purchased a Mobile Communications Van. The van was instituted as a means of having a complete radio and telephone communications system at disaster scenes to coordinate several agencies within the City and State. The van is equipped with barricading stands, flood lights, observation deck and other emergency equipment. The new Mobile Communications Van is pictured on page 23.

In December, the department's Scooter Patrol (ESCORT) was refunded by LEAA. This new patrol unit has experienced a highly successful year with significant reductions in street crimes in the Capitol Hill Area. ESCORT is featured on page 15 of the Annual.

In December, the I.A.C.P. designated the Denver Police Department as one of two police departments in the United States to participate in the design and implementation of a revised discipline system. The project is funded by the LEAA and designed to analyze our existing disciplinary system and, if required, develop a more satisfactory system.

In 1976 the Anti-Fencing Unit reported encouraging results and was also re-funded by the LEAA. Their activities have practically eliminated the fencing of stolen goods in the Denver area. Their efforts have also been responsible for the recovery of thousands of dollars of stolen goods and the return of same to the rightful owners.
