Public Safety Director

Mr. William C. McDonnell
Director, Public Safety Department
City of Omaha
Omaha, Nebraska

Dear Mr. McDonnell:

It is my privilege to submit herewith the Annual Report of the Omaha Police Division, Department of Public Safety for the year 1978.

This report is designed to provide a statistical summary of the activities of the Police Division. It also serves as a basis for comparison of police performance through prior years. It is offered in the hope that it will serve in promoting the general welfare of the City of Omaha and the safety of its citizens.

Police Division manpower increased from 529 sworn personnel in December, 1977 to 563 sworn personnel in December, 1978. In the general demand for police services, the number of police cars assigned to citizen request for police service increased approximately 1% for the year 1978 over the year 1977 to a total of 210,084 dispatches of called for police service for the year.

I am happy to report that major crime in Omaha as reported to the Federal Bureau of Investigation for the year 1978 decreased 3% over 1977. This is the fourth consecutive year to show a decline.

I would like to take this opportunity to convey my sincere appreciation to you, to the Honorable Mayor Al Veys, to the members of the City Council and to the citizens of Omaha for the cooperation that has made it possible for us to provide what we consider the best possible police service for the City of Omaha.

Very truly yours,

Richard R. Andersen
Chief of Police

Law Enforcement Code of Ethics

As a Law Enforcement Officer, my fundamental duty is to serve mankind; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation, and the peaceful against violence or disorder; and to respect the Constitutional rights of all men to liberty, equality and justice.

I will keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn, or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed in both my personal and official life, I will be exemplary in obeying the laws of the land and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of the police service. I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession . . . law enforcement.

EDUCATIONAL ACHIEVEMENT
OF
THE OMAHA POLICE DIVISION

<u>RANK</u>	<u>Master's Degree</u>	<u>College Degree</u>	<u>Associate Degree</u>
Chief of Police	1		
Coordinator of Police Community Relations		1	
Deputy Chief of Police		1	
Police Captain		2	1
Police Lieutenant	1	5	5
Police Sergeant	1	16	8
Police Officer		54	8

All officers of the Omaha Police Division are encouraged to further their education and they have been consistent with their representation on the school rolls. Most officers earn their college credits from the University of Nebraska at Omaha which has had a Criminal Justice Department since 1963.

NEW OFFICERS SWORN IN

On 2 November 1978, twenty-seven probationary Police Officers were sworn in by Mayor Al Veys and reassigned from academy training to coach training status within the Administrative Services Bureau Training Section.

The probationary officers have completed thirteen weeks of classroom training and will receive thirteen weeks of coach training before being assigned to their respective duties. The addition of these officers will help bring the Omaha Police Division closer to its authorized strength.

One member of the Omaha Fire Division also took the thirteen week classroom training in order to familiarize himself with police procedures. This training will be beneficial when a proposed fire/police arson unit becomes operational in the future.

Explorer Post 591

Law Enforcement Explorer Post No. 591 has been associated with the Omaha Police Division since 1974. The Post gives young men and women ages 14-20 an opportunity to experience the field of law enforcement through actual training and practice.

At the present time the Post has twenty members. The structure of the Post consists of a youth Executive Board made up of a Chief, Captain, Lieutenant, Sergeant and three Corporals. This board is guided by an Advisory staff of adults from the law enforcement field.

Post 591 has put in over 2,500 hours of community service and Post related activities during the past year. This included: security for the Variety Club, Easter Seal and Labor Day telethons, running the Richmond Gordman Bicycle Safety Clinic, assisting the Secret Service during former President Gerald Ford's visit, traffic and crowd control for the Omaha Police Division "Safety Patrol Day" at Peony Park in which over a thousand children attended and assistance at the Swing for the Retarded Putt-Putt Golf Day.

Post members logged over 400 hours this summer assisting the St. Joseph Hospital Security Department. This provided experience in the area of private security for the individuals who participated. Members also assisted the City of Omaha Traffic Engineering Office in installing over 450 new street signs throughout the City.

Members of Post 591 receive a mini version of the regular police academy training throughout the year. Consisting of human behavior, report writing, firearms training, crowd and traffic control, close order drill, criminalistics, structure of the Omaha Police Division and police radio procedures. The overall goal of this training and post participation is to develop these young adults into well-rounded citizens.

NEW EQUIPMENT IMPROVES OFFICER SAFETY

The acquisition of new equipment for the red roller lights on top of Omaha Police Division Cruisers and the implementation of a new style police shotgun for field use, should result in a greater degree of safety for cruiser officers.

Research has indicated that the visibility of police cruisers is improved when three red blinkers and one white blinker is used in the red roller lights of cruisers instead of the traditional four red blinkers. The use of this new concept should especially benefit officers investigating accidents on the interstate highway system and main arterial streets of Omaha where increased visibility will allow motorists to adjust their speeds in time to account for any approaching traffic hazard.

Omaha Police Division Officers were provided with a new style shotgun in 1978. The Remington Model 870 shotgun has a larger magazine capacity than the previous shotgun used by Omaha Police Officers. The Model 870 with its oil soaked wood and parkerized finish will decrease the amount of glare which, on occasion, can be detrimental to an officer's safety. Durability and ease of maintenance of the new shotgun is also much improved over past shotguns.

COMPLETE REVISION OF STATE STATUTES KEEP OFFICERS BUSY

During the eighty-fifth session of the Nebraska Legislature, LB 38, which is a complete revision of Nebraska's Criminal Code, was passed. The new Criminal Code scheduled to go into effect January 1, 1979 will hopefully enable Officers enforcing the Criminal Laws to more easily differentiate upon reasonable grounds between what are considered to be serious and minor offenses.

Months of coordinated effort between various sections of the Police Division resulted in a smooth transition from the use of Old Criminal Statutes to the New Statutes. Some of the work involved in informing Omaha Police Officers of the new laws included:

The production and printing of a 200 page booklet by the Research and Planning Section the purpose of which was to assist officers in the enforcement of the New Criminal Code.

Cooperation between the Douglas County Systems and Data Processing Center and the Omaha Police Division Crime Analysis Section in assigning computer code numbers to the New Criminal Statutes.

In-service training for all officers conducted by the Omaha Police Division Training Staff the intent of which was to highlight the more important changes in the Criminal Code.

The work put forward by these Sections will be evident in a more proficient and better trained officer.

OFFICERS RECEIVE MEDAL OF VALOR

Three Omaha Police Officers were the first recipients of the Medal of Valor under a newly initiated "Award of Merit" program. This program was designed to show recognition to officers, who through acts of heroism and under extremely hazardous conditions risked serious injury or death in the performance of their duties.
