## 1976 Parole Movement Report

### I. Introduction

The Massachusetts Parole Board has the authority to issue parole permits to: (1) all persons sentenced to state correctional facilities, (2) all persons sentenced to county jails or houses of correction by a Superior Court, (3) all persons sentenced to county jails or houses of correction by a District Court for a sentence or an aggregated sentence of one year or more.

The 1976 Parole Movement Report provides aggregate data on the number of parole permits issued, the number of people discharged or terminated from parole and the number of warrants issued, withdrawn and served.

During 1976 the Board issued 1857 parole permits; discharged 1087 parolees and terminated 138; and issued 594 warrants, withdrew 242 and served 334.

Information on the number and type of parole permits issued is given in Tables 1 through 12. Discharges and terminations are listed in Tables 13 through 16. Warrants data is contained in Tables 17 through 22. The following sections of the report discuss some of the more important statistics.

### II. Parole Permits Issued

Table 1 shows that the Massachusetts Parole Board issued 1857 parole permits during 1976. Of these, 543 (29.2%) were at state institutions, 345 (18.6%) were at prerelease centers, and 969 (52.2%) were at county houses of correction.

Table 2 lists the types of parole permits issued to inmates who had originally been committed to a state institution. Of the 888 parole permits issued to state commitments, 832 were released from state institutions and prerelease centers and 56 from county institutions. Table 2 also shows that of these 888, 762 (85.8%) were paroled to the Massachusetts streets, 81 (9.1%) to a From and After Sentence (F & A) at a county house of correction, 25 (2.8%) to an F & A at a state institution, 4 (0.5%) to other states (OS) and the remaining 16 (1.8%) to some other authority. Table 3 contains similar information for house of correction commitments.

### III. Discharges and Terminations

For most parolees, parole supervision ends on the Parole Discharge Date (PDD) at which time a Certificate of Discharge is issued. The PDD is determined upon release in accordance with the type of sentence and institutional deductions from the sentence such as good conduct. Alternatively, the Board

may issue a Certificate of Termination to any parolee prior to the Parole Discharge Date if the majority of Board Members so agree.

During 1976 the Board discharged 424 state commitments from parole (Tables 13A and 13B) and terminated 136 state commitments (Tables 14A and 14B). The Board also discharged 664 county commitments from parole (Tables 15A and 15B). County commitments are usually not eligible for termination because their sentences are shorter and the period on parole is less. Only two county parolees received a Certificate of Termination in 1976 (Table 16).

#### IV. Warrants

The Board may revoke the parole permit at any time prior to its expiration by issuing a parole violation warrant. Subsequently the Board decides either to withdraw or serve the warrant. When a parole violation warrant is served the parolee is returned to the original committing institution to complete the unexpired portion of his sentence.

During 1976 the Board issued 463 warrants (Table 17), withdrew 189 warrants (Table 18) and served 250 warrants (Table 19) on state committed parolees. The Board also issued 131 warrants (Table 20), withdrew 53 warrants (Table 21) and served 84 warrants (Table 22) on county committed parolees.
