## OFFICE OF THE ATTORNEY GENERAL

July 25, 1983

### FOREWORD

Here is your copy of the 23rd annual LAW ENFORCEMENT SURVEY. All data is effective as of March 1, 1983.

This survey is published by the Attorney General's Office and the Association of Sheriffs and Police Chiefs as a service to public officials, law enforcement leaders and others concerned with this most important field.

We had widespread cooperation and substantial assistance on the part of several persons in preparing this survey, and I would like to especially thank our law librarian, Phillip G. Bunker, for once again doing an excellent job of managing the project. I would also like to express appreciation to several persons who assisted in the design of this year's survey. They are James Scott and Garry Wegner of the Criminal Justice Training Commission, Gene Cotton of the Association, Jake Evans of the Thurston County Sheriff's Office, as well as Warren Guykema of my office.

Finally, I would like to thank all of the chiefs and sheriffs who responded to the survey for their cooperation. I am glad to report that this year we had a 100% response!

Sincerely,

*Ken Eikenberry*
